"Four Brothers" is historically one of the most admired and revered songs ever written for and recorded by a vocal jazz group. In arranging "Four Brothers" for publication, my design was to keep as much of the original flow, lyrics, etc. as possible while simplifying vocals a bit. I believe you will find that this has occurred, and hope that you and your ensemble enjoy the arrangement, including the last shout leading to the last bar! "Four Brothers" is a perennial crowd pleaser, a great choice to close a vocal jazz performance. I'm pleased to have been involved with this!! — Paris Rutherford
