Parlons Amis Une Langue Aborigene De Taumwan

DP Hallahan

Parlons Amis Une Langue Aborigène De Taiwan:

Parlons amis Rémy Gils, 2010 L'île de Taïwan jouit d'une grande diversité de peuplement et de cultures. Parmi les quatorze groupes de culture austronésienne, celui des Amis est le plus important par la taille. De plus en plus influencés par la culture chinoise depuis le milieu du siècle dernier, les Amis ont peu à peu perdu leurs racines et leur identité. Face à l'hégémonie culturelle han et à l'uniformisation des modes de vie, le danger d'extinction des cultures et langues des minorités indigènes formosanes est aujourd'hui bien réel.

Parlons bunun Rémy Gils, 2009-05-01. Peuplée en majorité de Chinois Han, 2% de la population de Taïwan est constituée de groupes ethniques autochtones. Parmi eux, les Bunun de souche austronésienne occupent principalement le centre montagneux. Bien qu'ils aient perdu leurs terres ancestrales et une grande partie de leurs caractéristiques au contact des populations chinoises et de l'occupant japonais, les Bunun continuent aujourd'hui de lutter pour que leur culture, leur langue et leurs traditions ne soient pas entièrement phagocytées par la culture chinoise majoritaire.

Unveiling the Magic of Words: A Overview of "**Parlons Amis Une Langue Aborigravene De Taiumlwan**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
