Particular Grace Abraham Kuyper, 2001 Creation and Salvation: Dialogue on Abraham Kuyper's Legacy for Contemporary Ecotheology Ernst M. Conradie, 2011-03-21 This volume explores the legacy of the Dutch theologian and statesman Abraham Kuyper for contemporary Christian ecotheology It focuses on Kuyper's understanding of the relationship between creation and salvation It includes essays and responses by contributors from four continents All That God Cares About Richard J. Mouw, 2020-06-16 How do Christians account for the widespread presence of goodness in a fallen world Richard Mouw one of the most influential evangelical voices in America presents his mature thought on the topic of common grace Addressing a range of issues relevant to engaging common grace in the 21st century Mouw shows how God takes delight in all things that glorify him even those that happen beyond the boundaries of the church and defends the doctrine of common grace from its detractors Biblical Interpretation and Doctrinal Formulation in the Reformed Tradition Arie C. Leder, Richard A. Muller, 2014-04-16 The Reformed tradition is characterized by a rigorous commitment to theological formulation yet it is equally known for its commitment to rooting its life and practice in the authority of God's Word While these two commitments are commonly acknowledged the path from biblical interpretation to doctrinal formulation is often overlooked Examining a diverse group of thinkers across the chronological and international spectrum of the Reformed tradition this book demonstrates the depth and intricacies involved in the tasks of exegesis and dogmatic construction the ways they intersect and the effect it has on the church Table of Contents Preface Richard A Muller 1 An Appreciation of James De Jong Calvin Van Reken 2 Calvin's Teaching Office and the Dutch Reformed Doctorenambt Joel R Beeke 3 An Immeasurably Superior Rhetoric Biblical and Homiletical Oratory in Calvin's Sermons on the History of Melchizedek and Abraham Richard A Muller 4 Calvin's Lectures on Zechariah Textual Notes Al Wolters 5 Adopted in Christ Appointed to the Slaughter Calvin's Interpretation of the Maccabean Psalms Keith D Stanglin 6 Peter Martyr Vermigli and Aquinas Justice of War Doctrine Mark J Larson 7 Beza's Two Confessions as Sources of the Heidelberg Catechism Lyle D Bierma 8 Henry Ainsworth Harried Hebraist Raymond A Blacketer 9 The Interpretation of Christ's Descent into Hades in the Early Seventeenth Century Jay Shim 10 Critical and Catholic Exegesis in the Seventeenth Century Low Countries John S Bergsma 11 Biblical Interpretation and Doctrinal Formulation in John Flavel's Works Won Taek Lim 12 The Hobbes Bramhall Debate on the Nature of Freedom and Necessity J Mark Beach 13 Bible Commentary for the Untutored The Bijbelverklaring of 1780 1795 by Jacob van Nuys Klinkenberg and Gerard Johan Nahuys Arie C Leder 14 Herman Hoeksema was Right on the three points that really matter John Bolt *Herman Hoeksema: A Theological Biography* Patrick Baskwell, 2009-07-01 The historic development of the theology of Herman Hoeksema presented as a biography by Dr Patrick Baskwell Theology Professor at ST Petersburg Theological Seminary 334 pages paperback **T&T Clark Handbook of Neo-Calvinism** Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in

the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields

Sayyid Qutb's Radical Islamism and the Comparative Political Theology Dragos Stoica, 2024-12-15 Sayyid Qutb s *Radical Islamism and The Comparative Political Theology* argues that Sayyid Qutb s radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb s political theology of Hakimiyyah God s Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Qutb s critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Cortes 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God s Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti modern political theology Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God s Sovereignty placed within a larger cross cultural paradigm this book contributes as well to the necessary process of decolonization of political theology

Reformed Dogmatics Herman Bavinck, John Bolt, John Vriend, 2003 This classic work of Reformed theology is the third of four volumes now available in English

Driven by God Jae-Eun Park, 2018-10-01 For more than two millennia believers have struggled with the antinomy of God's absolute sovereignty over and man's ultimate responsibility in justification and sanctification Theologians have used some version of the terms active justification and definitive sanctification in an attempt to illuminate this mystery However in the past decade scholars have begun to criticize these concepts saying that they are unsupported in Scripture lead to theological confusion and are of no practical benefit to believers Through the work of theologians from the broader Dutch Reformed tradition especially Herman Bavinck Alexander Comrie Herman Witsius and Abraham Kuyper Jae Eun Park demonstrates that the terms active justification and definitive sanctification are derived from Scripture and serve to clarify not obscure the doctrines of justification and sanctification In addition the book shows that neglect misuse or misunderstanding of the terms have resulted in contemporary criticisms that are unconvincing and unfounded Writings of the aforementioned theologians define and expound four characteristics held in common between active justification and definitive sanctification i.e. inseparability objectivity and decisiveness Christ centeredness and God's absolute sovereignty concepts of the mentioned theologians All four characteristics of active justification and definitive sanctification emphasize the God driven nature of salvation Jae Eun Park explains how when properly defined and presented the two terms are important theologically bringing clarity to the issue of the perfect balance between God's sovereignty and human responsibility in salvation He also shows how active justification and definitive sanctification offers practical assurance of their perseverance unto glory to true believers and provides pastors with an invaluable tool for exhorting parishioners who

Defending God's Sovereignty Sonny Hernandez, 2020-04-10 FOREWORD As the title indicates this book is a fresh lively hard hitting defense of the doctrines of grace popularly known as the Five Points of Calvinism It establishes the doctrines of grace as solidly biblical the gospel of grace taught in Scripture The defense consists of appeal to an abundance of biblical passages with their explanation One may assail Hernandez with emotion even outrage He will not defeat him in the battle of the texts The defense includes as well the refutation of the erroneous explanation of all the main passages of the Bible that are employed to attack the doctrines of grace and to promote the false gospel of salvation by the will and works of the sinner Concerning II Peter 2 9 for example a favorite text of all those who teach a will of God for the salvation of all humans without exception Hernandez shows that the context and the text itself clearly reveal that the all of the text is all of us namely the elect believers In the nature of the case the book is polemical Not only does it war against the classic Arminian heresy exposed and condemned by the Reformed Synod of Dordt in the early 17th century and the false doctrine known as Amyraldianism but it also contends with more recent compromises of grace particularly compromises within the sphere of Reformed and Presbyterian churches These include theologies that the author describes as moderate Calvinism the theology of the federal vision the doctrine of a well meant offer of salvation to all hearers in a common grace of God to all humans These and all related teachings have in common the extension of a saving grace of God to many humans that fails to save implying that the cause of the salvation of those who are saved by the gospel is not the sovereign grace of God but the will of the sinner In the course of his polemic with the advocates of universal ineffectual grace Hernandez wards off the charge that his doctrine is hyper Calvinism He defines the real threat of hyper Calvinism accurately He demonstrates that the sound uncompromising confession of salvation by sovereign grace does not at all threaten much less rule out the promiscuous proclamation of the gospel and the urgent call to all hearers to repent and believe with the promise that all who believe shall be saved David J Engelsma Emeritus Professor Protestant Reformed Seminary

The Grace of God, the Will of Man Clark H. Pinnock, 1989 *The Grace of God the Will of Man* A Case for Arminianism was written by an impressive team of evangelical scholars from many traditions This work carries on the ancient debate about the scope of God's saving purposes and the manner of his effecting salvation in human beings It defends the proposition that God is a dynamic personal Agent who respects the freedom he chose to delegate to his human creatures and relates sensitively to us in the outworking of his plans for the whole of history God is love and expresses his power by working salvation among us under conditions of

genuine mutuality The contributors to this volume are Christian scholars who are eager to present this evangelical model as an alternative to deterministic theology They do not claim to have said the last word on the subject but want at least to keep the ball of theological discussion in play
