Robespierre Theacuteacirtre De La Reacutevolution:

The Revolutionary Career of Maximilien Robespierre David P. Jordan, 1989-07-15 As it changed forever the political landscape of the modern world the French Revolution was driven by a new type of personality the confirmed self aware revolutionary Maximilien Robespierre originated the role and embodied its ideological essence and extremes the self that he projected to the people was equated with the ideals for which he strove In creating this intellectual biography of so enigmatic a figure David Jordan has stressed the words of the man about himself With great imagination and insight Jordan places Robespierre s self conceptualization within the context of events and explains how Robespierre The Incorruptible a man seen by contemporaries as virtuous could not only equate justice with vengeance and demand it of the people but also stand as its symbol before the world

Robespierre and the French Revolution James Matthew Thompson, 1953 **Robespierre and the French Revolution** Charles Franklin Warwick, 1909 **The Life and Legacy of Maximilien Robespierre** Charles River Editors, 2025-05-14 In many ways it is fitting that Maximilien Robespierre 1758 1794 is one of the best known figures of the French Revolution if not its most famous The early years of the Revolution were fueled by Enlightenment ideals seeking the social overthrow of the caste system that gave the royalty and aristocracy decisive advantages over the lower classes Few were as vocal in their support of Enlightenment ideals as Robespierre who was heavily versed in Rousseau and Montesquieu a champion of the bourgeoisie and an advocate of human rights who opposed both slavery and the death penalty But history remembers the French Revolution in a starkly different way as the same leaders who sought a more democratic system while

out of power devolved into establishing an incredibly repressive tyranny of their own once they acquired it For that reason the Reign of Terror became the most memorable aspect of the Revolution and at the head of it all was Robespierre whose position on the Committee of Public Safety made him the Reign of Terror s instrumental figure until he himself became a victim of the Revolution s extremism Robespierre has remained one of the Revolution s most controversial figures an enigma in both life and death Known as The Incorruptible to supporters and a bloodthirsty dictator to his opponents what all could agree on was that he was a vital figure during one of history s most momentous events French Legends The Life and Legacy of Maximilien Robespierre looks at the life and legacy of one of history s most famous revolutionaries explaining his role in the French Revolution and analyzing his legacy Along with pictures of important people places and events you will learn about Robespierre like you never have before in no time at all *Selected Writings and Speeches* Maxmilien

Robespierre Peter McPhee,2012-03-13 For some historians and biographers Maximilien Robespierre 1758 94 was a great revolutionary martyr who succeeded in leading the French Republic to safety in the face of overwhelming military odds For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793 94 This masterful biography combines new research into Robespierre s dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre s formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods

of nervous collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice

Robespierre and the French Revolution J. M. Thompson, 2003-01 *Virtue and Terror* Maximilien Robespierre, 2007-01-17 A chilling exploration of Robespierre's justification of the Terror in the French Revolution
