A People's Guide to An Interfaith Christian Theology in a Time of Transformation Harvey H. Honig, 2022-05-17 Harvey H Honig began his life's work as a Lutheran minister but soon recognized his need for a more spacious and inclusive approach through which to heal and understand his inner self This led him to spend many years exploring and experiencing other paths of religion and spirituality In recent years though he found that the message mission and being of Jesus still played a powerful and transformative role in his life Since common understandings of the life of Jesus are embedded within a biblical and historical framework Honig wanted to explore the meaning of Christianity within the framework of our current world An

Interfaith Christian Theology is for fellow seekers who are drawn to the being and message of Jesus but can no longer relate to the dissonance between reality and belief that so many churches require Honig's approach differs from traditional Christian theology in two ways first it does not stem from the framework of a specific denomination and second it presents itself as a way of thinking about Christianity rather than the only way After several years as a minister Honig began Jungian analytic training and earned a PhD in psychology at Loyola University Chicago Jung gave Honig the tools he needed to continue his personal search for a life affirming view of Christianity and to assist others in their search for inner truth and healing

The Sifted Generation Michael L. Henderson, 2015-04-08 Has the final end time generations spoken of by Jesus and the prophets finally arrived Could our generation be the one that is witnessing the beginning phases of the second coming of the Lord If so will you be one of the faithful Jesus finds when He calls His church to heaven In *The Sifted Generation* Pastor Michael Henderson takes a unique look at the final generation from which the true church will be sifted just prior to the days of tribulation that are coming on the entire earth The Bible tells us the times of that generation will be perilous Blasphemies selfishness rebelliousness gracelessness slanderous hearts hedonistic behavior and a lack of respect for God His church and His commandments will rule the day As evidenced in the social and cultural wars around the globe it is evident that the world is already choosing its sides Ironically the Bible declares that a man will arise in the last days He will be a religious leader who will have great charisma and the uncanny ability to garner support from large sections of unbelieving humanity Through deceptive words promises and the quasi miraculous this religious leader will then persuade

his followers to support one even more sinister than he This partner in deception will pounce on the opportunity to take the reins of the world under his control The Sifted Generation explores what life will be like on Earth just before the Lord begins the consummation of all things The question is When the Son of Man comes will He really find faith on the Earth Luke 18 8 Other titles by the author are 25 Reasons to Believe editor and co author with Bernie Lutchman and John Snyder and Those Who Are Wise Will Shine Michael also writes for the periodical The American Church Magazine **Romans** Michael J. chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the *missio Dei* This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 *Lectio Divina* 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

The Elijah Enigma Hillel I. Millgram, 2014-09-30 An analysis of the intertwining tales of Elijah and Ahab mercurial prophet and Machiavellian king this book is an accessible treatment of one of the most dramatic and well known episodes in the Bible In contrast to the popular image of Elijah as a courageous wonder worker who calls down fire from heaven and ascends to heaven in a fiery chariot this book contends that the prophet was a deeply conflicted man torn between a burning idealism and a deep disillusionment over his failure to

achieve his ideals Despite his profound sense of failure Elijah's struggle against the paganizing regime of King Ahab and his queen Jezebel managed to save monotheism from eclipse and in so doing alter the course of human history This work further proposes that the tale presented by the Bible is more than an account of an ancient battle between two historic figures it is a paradigm of the struggle between the ideals of human dignity and justice and the alternative of expediency in the pursuit of power a conflict that pervades human life to this very day
