# Romantic S To Read

**Donald Reiman**

## **Romantic S To Read:**

**Reading Romantics** Peter J. Manning, 1990 These thirteen essays some previously published and others appearing here for the first time are united by a continuing endeavour to join formalism with wider concerns They seek to reconnect literature with the motives from which it springs and the social relations within which it exists There is fusion of psychoanalytic insight textual criticism and historical scholarship Amongst the writers discussed are Wordsworth and Byron

**Short Stories for Romantics** Andrew J. Salat, 2014-06-06 The famous songwriter Cole Porter once asked What Is This Thing Called Love His question caused author Andrew J Salat to wonder is the condition physical spiritual or as some cynics might describe a temporary madness of the heart Salat believes Mr Porters question is answered quite well in Short Stories for Romantics The story High Heels is a haunting tale of love found and lost told to him by an interesting airline passenger Adriennes Room takes the reader on an unforgettable roller coaster ride For a more spiritual journey High Level Meeting seeks to bring on second thoughts about the way we live our lives These sixteen stories take the reader on an imaginary sojourn we all must take in order to experience true love in our lives Mr Salat is a gifted storyteller with imagination and eloquent style His stories had me turning pages to the very last Beverly DeGeorge literary consultant **Romantic**

**Shakespeare** Younglim Han, 2001 These two criticisms are based on the presumption that only a socially and intellectually elite reader is able to view the author s language in terms of its organic relationship with the text as a whole The Romantics focused on the interpretive reproduction of Shakespeare through sympathetic identification with his characters BOOK

**JACKET** *Reading the American Novel 1865 - 1914* G. R. Thompson, 2011-07-28 An indispensable tool for teachers and students of American literature Reading the American Novel 1865 1914 provides a comprehensive introduction to the American novel in the post civil war period Locates American novels and stories within a specific historical and literary context Offers fresh analyses of key selected literary works Addresses a wide audience of academics and non academics in clear accessible prose Demonstrates the changing mentality of 19th century America entering the 20th century Explores the relationship between the intellectual and artistic output of the time and the turbulent socio political context Reading

Romantic Poetry Fiona Stafford, 2014-02-03 Reading Romantic Poetry introduces the major themes and preoccupations and the key poems and players of a period convulsed by revolution prolonged warfare and political crisis Provides a clear lively introduction to Romantic Poetry backed by academic research and marked by its accessibility to students with little prior experience of poetry Introduces many of the major topics of the age from politics to publishing from slavery to sociability from Milton to the mind of man Encourages direct responses to poems by opening up different aspects of the literature and fresh approaches to reading Discusses the poets own reading and experience of being read as well as analysis of the sounds of key poems and the look of the poem on the page Deepens understanding of poems through awareness of their literary historical political and personal contexts Includes the major poets of the period Blake Wordsworth Coleridge Byron Shelley

Keats Burns and Clare as well as a host of less familiar writers including women      The Romantics Reviewed Donald Reiman, 2017-08-24 First published in 1972 this volume contains contemporary British periodical reviews of the Lake Poets including Wordsworth Coleridge Southey and Lamb in publications from the Edinburgh Review to Variety Introductions to each periodical provide brief sketches of each publication as well as names dates and bibliographical information Headnotes offer bibliographical data of the reviews and suggested approaches to studying them This book will be of interest to those studying the Romantics and English literature      **The Romantics** Stephen Prickett, 2016-04-20 First published in 1981 This book aims to show Romanticism as a response to certain questions in literature art religion philosophy and politics that were being asked increasingly towards the end of the eighteenth century The essays focus on growth and change in society and the individual nature feeling and reason and subjectivism examining how these questions arose why they were felt to be important and the kinds of answers that consciously or unconsciously the Romantics provided This title will be of interest to students of literature history and philosophy      **The Romance of William of Palerne** Walter William Skeat, 1867      **The Romantics Reviewed** Donald H. Reiman, 2016-10-04 First published in 1972 this volume contains contemporary British periodical reviews of the Lake Poets including Wordsworth Coleridge Southey and Lamb in publications from the Academic to the Edinburgh Observer Introductions to each periodical provide brief sketches of each publication as well as names dates and bibliographical information Headnotes offer bibliographical data of the reviews and suggested approaches to studying them This book will be of interest to those studying the Romantics and English literature      *The Wisdom of the Romantics* Michael K. Kellogg, 2025-05-06 Explore the transformative power of Romanticism where emotion imagination and contradiction collide through the eyes of its greatest thinkers and artists The post Enlightenment movement known as Romanticism is a messy period so messy in fact that many scholars eschew any attempt to define it In reaction to the overreliance placed on reason by Enlightenment thinkers Romantics emphasized individual freedom emotional intensity introspection sincerity and heightened imagination They sought out nature at its wildest and most sublime tall mountains steep gorges and resounding cataracts They dabbled in the gothic and grotesque in mythology the sacred and the mystical Romanticism was a turning inward into subjectivity In *The Wisdom of the Romantics* author Michael Kellogg profiles such disparate authors as Rousseau and Balzac Goethe and Hegel Wordsworth and Jane Austen revealing that classifying Romantic thinkers is a highly subjective enterprise which is the whole point That isn't to say that the change in thinking was inconsequential Far from it The transition from Haydn and Mozart to Beethoven and Chopin could not have been more dramatic The German born composer Giacomo Meyerbeer brought grand opera to new heights The paintings of Francisco Goya William Blake Caspar David Friedrich and J M W Turner were all part of the transition away from a classical academic style to the emotive extremes that heralded the coming of impressionism in the latter part of the century In this latest entry into his popular Wisdom series Kellogg explores the mercurial and ephemeral movement known as Romanticism arguing that

what Romanticism includes many contradictions precisely what the rationalists rejected 150 Secrets to a Happy Wife Joe Gumm, 2011-04-01 Joe Gumm knows how to please his wife but that's only because he learned the hard way by doing lots of stupid things first Now he's giving men funny and poignant ideas to keep them out of the doghouse for good and remind women every day why they love their guys so much Written in a comedic tone guaranteed to have wives and husbands laughing together and nodding in recognition *Romancing Mommy* conquers the topic of how couples disconnect especially after the kids are born and more importantly how to reconnect through teamwork compassion humor and romance *The Romantic Legacy of Paradise Lost* Jonathon Shears, 2016-12-05 The Romantic Legacy of Paradise Lost offers a new critical insight into the relationship between Milton and the Romantic poets Beginning with a discussion of the role that seventeenth and eighteenth century writers like Dryden Johnson and Burke played in formulating the political and spiritual mythology that grew up around Milton Shears devotes a chapter to each of the major Romantic poets contextualizing their misreadings of Milton within a range of historical aesthetic and theoretical contexts and discourses By tackling the vexed issue of whether Paradise Lost by its nature makes available and encourages alternate readings or whether misreadings are imposed on the poem from without Shears argues that the Romantic inclination towards fragmentation and a polysemous aesthetic leads to disrupted readings of Paradise Lost that obscure the theme or warp the grain of the poem Shears concludes by examining the ways in which the legacy of Romantic misreading continues to shape critical responses to Milton's epic *Reading Between the Lines* Gene Edward Veith Jr., 2013-01-31 Here is a guidebook for those who want to learn how to recognize books that are spiritually and aesthetically good to cultivate good literary taste Gene Edward Veith presents basic information to help book lovers understand what they read from the classics to the bestsellers He explains how the major genres of literature communicate He explores ways comedy tragedy realism and fantasy can portray the Christian worldview These discussions lead to a host of related topics the value of fairy tales for children the tragic and the comic sense of life the interplay between Greek and Biblical concepts in the imagination and the new post modernism a subject of vital importance to Christians In the pages of this book readers will meet writers past and present who carry on a great literary tradition By supporting worthy authors Christians can exert a powerful influence on their culture *The Orient and the Young Romantics* Andrew Warren, 2014-11-06 Through close readings of major poems this book examines why the second generation Romantic poets Byron Shelley and Keats stage so much of their poetry in Eastern or Orientalized settings It argues that they do so not only to interrogate their own imaginations but also as a way of criticizing Europe's growing imperialism For them the Orient is a projection of Europe's own fears and desires It is therefore a charged setting in which to explore and contest the limits of the age's aesthetics politics and culture Being nearly always self-conscious and ironic the poets' treatment of the Orient becomes itself a twinned criticism of Romantic egotism and the Orientalism practised by earlier generations The book goes further to claim that poems like Shelley's *Revolt of Islam* Byron's *Eastern Tales* or even Keats's *Lamia* anticipate key issues at stake in

postcolonial studies more generally      **Romantics and Renegades** C. Mahoney, 2002-11-15 *Romantics and Renegades* examines the abiding crux of romantic criticism the political apostasies of the Lake poets Wordsworth Coleridge and Southey as they renounced the revolutionary Jacobinism of their youth in the 1790s in order to claim the high ground of Regency Toryism in the 1810s Central to this scandal is the figure of William Hazlitt the literary critic who policed their betrayals in his vigilant exposure of their political and poetical inconsistencies Mahoney's analysis provides new insight into this abiding critical riddle through close historical and figural readings of the rhetoric of romantic apostasy      Reading Mahler Carl Niekerk, 2010 Examines literary philosophical and cultural influences on Mahler's thought and work from the standpoint of the composer's position in German Jewish culture Gustav Mahler's music is more popular than ever yet few are aware of its roots in German literary and cultural history in general and in fin de siècle Viennese culture in particular Taking as its point of departure the many references to literature philosophy and the visual arts that Mahler uses to illustrate the meaning of his music *Reading Mahler* helps audiences critics and those interested in musical and cultural history understand influences on Mahler's music and thinking that may have been self evident to middle class Viennese a hundred years ago but are much more obscure today It shows that Mahler's oeuvre despite its reliance on texts and images from the eighteenth and nineteenth centuries is far more indebted to fin de siècle modernism and to an eclectic proto avantgardist agenda than has been previously realized Furthermore *Reading Mahler* is the first book to make Mahler's position within German Jewish culture its analytical center It also probes Mahler's problematic but often overlooked relationship with the musical and textual legacy of Richard Wagner By integrating newer approaches in humanistic research cultural studies gender studies and Jewish studies *Reading Mahler* exposes the composer's critical view of German cultural history and offers a new understanding of his music Carl Niekerk is Professor in the Department of German the Program in Comparative and World Literature and the Program in Jewish Culture and Society at the University of Illinois at Urbana Champaign      *Educating the Romantic Poets* Catherine E. Ross, 2023-10-15 *Educating the Romantic Poets* Life and Learning in the Anglo Classical Academy 1770 1850 explores how the public and endowed grammar schools and the colleges of Oxford and Cambridge trained some of the most important writers critics and public figures of the Romantic period These institutions are recognized here as intentional partners and are discussed collectively as the Anglo classical academy The book shows how they not only schooled students in classics maths and divinity but also in accepted social behaviours cultural values political beliefs and literary tastes In so doing this academy gave shape to the literature and spirit of the age By discussing the schools and the universities together and by focusing upon pedagogies and daily life as well as the texts and topics studied this book shows as no other has done how writers and readers of the late eighteenth and early nineteenth centuries became such fluent linguists skilled prosodists and perceptive critics As each chapter explores and comments upon the relational intellectual and cultural aspects of the Anglo classical educational experience it directs readers attention to the ways in

which this information can be used to reread texts reassess certain Romantic literary careers and launch new lines of research

**How Romantics and Victorians Organized Information** Jillian M. Hess, 2022 This volume studies an important manuscript form of nineteenth century England the commonplace book and its descendent the scrapbook It explores the tradition of managing information in nineteenth century England and excavates notes and drafts of the most important works in Romantic and Victorian literature

**Reading Popular Romance in Early Modern England** Lori Humphrey Newcomb, 2002 This volume examines the proliferation of popular romances their vilification by elite writers and the ultimate opposition of popular and literary fiction Using Robert Greene's *Pandosto* 1585 an Elizabethan prose romance that inspired Shakespeare's late play *The Winter's Tale* as a case study Newcomb demonstrates that versions of the two texts repeatedly converge resisting simple high low division Because Shakespeare's works are considered timeless literary achievements critics have distanced his plays from their romance sources a separation that until now has gone largely unquestioned Newcomb challenges this assumption providing a fascinating account of an early best seller's incarnations over 250 years of literary history

**Mephistopheles** Jeffrey Burton Russell, 1990 An excellent and important intellectual history Library Journal Using examples from theology philosophy art literature and popular culture Russell describes the great changes effected in our idea of the Devil by the intellectual and cultural developments of modern times Mephistopheles is the fourth and final volume of Jeffrey Burton Russell's critically acclaimed history of the concept of the Devil The series constitutes the most complete historical study ever made of the figure called the second most famous personage in Christianity In the first three volumes the author brought the history of Christian diabolology to the end of the Middle Ages This volume continues the story from the Reformation to the present tracing the fragmentation of the tradition
