Redacted David M. Miller,2024-07-23 *Redacted* examines the evolution of the ministry of deliverance tracing its roots from the Gospels to the twentieth century This in depth exploration reveals the contours of Jesus and the apostles ministry and how their practices influenced the fervent exorcisms of the pre Nicene Church igniting widespread revival From there *Redacted* follows the decline of exorcism from the fourth to the eleventh centuries where it almost entirely disappears When it is brought back during the High Middle Ages the practice takes on a highly ritualized form that departs from the Apostolic model The Reformation saw exorcism's contentious duality between charismatic and ritual forms before they were both entirely snuffed out with Protestantism Yet the twentieth century witnessed its resurgence beginning at Azusa St and growing within the Charismatic movement *Redacted* identifies the historical connection between deliverance and revival and makes the case that deliverance ministry is essential for revival today *My Imaginary Conversation with Joe Rogan About Christianity, the Supernatural, and Little Green Men* Kevin Cortez,2023-04-10

Many sincere Christians are misreading culture and as a result they are having difficulty with their faith So what is going on It is said that comedy reflects the current culture and many people now look to comedians not just to make fun of the world but to make sense of it Joe Rogan the host of the world's 1 podcast is one of the most influential comedians and media personalities With over 11 million listeners per episode Rogan's audience is four times larger than all the top prime time cable TV hosts combined This book was inspired by a podcast episode in which Joe Rogan shared his views on Christianity To date not a single guest on Rogan's show has responded adequately to his misconceptions about the Christian faith Thus the other side of the story has not been presented to his millions of listeners In *My Imaginary Conversation with Joe Rogan About Christianity the Supernatural and Little Green Men A Survival Guide for Living in a Post Christian Culture* Kevin Cortez gives a compelling response to Rogan's mistaken opinions As you read you will discover how to respond to those who malign your beliefs amicably The author takes complex theological concepts and presents them in a way that is easy to understand and apply to everyday life He draws on a wide range of historical philosophical and scientific sources to build his case and his analysis is rigorous and well supported

He addresses many of the common criticisms of Christianity such as its role in unfair atrocities and its perceived irrelevance in the face of modern science. He offers insightful responses that challenge readers to rethink their assumptions. The book is divided into fourteen chapters and five Survival Guides each addressing a different aspect of Christianity's most commonly misunderstood concepts. It navigates a range of topics including morality, science, philosophy, and history to demonstrate Christianity's enduring relevance and importance in our contemporary world. Each chapter includes simple questions encouraging readers to reflect on their own beliefs and attitudes toward God. In addition to using scripture to support his claims, Cortez uses his forty years of personal experiences and encounters within the Christian subculture to illustrate his points. Perhaps most notably, he is unafraid to tackle controversial issues such as the miraculous, New Atheism, psychedelics, UFOs, aliens, The Big Bang Theory, speaking in tongues, the born gay question, the prosperity gospel, and demonology. His thought-provoking perspective is refreshingly nuanced and balanced. Whether you are a lifelong Christian or just beginning to explore faith, this book will deepen your understanding of God and give you a wealth of biblical references and theological concepts to build a God-centered life that can withstand the challenges of living in this post-Christian culture. Overall, for anyone interested in exploring the relevance and importance of Christianity in the modern world, Cortez's careful analysis, engaging writing, and personal reflections make this book a must-read for believers and skeptics alike.

Mantles Past and Present Roberts Liardon, 2024-10-01. A Journey Into the World of Mantles. There is an emphasis in the Spirit regarding the subject of mantles in this end-time hour, and many believers in different parts of the Body of Christ are picking up on it. More and more are asking, "What is a mantle? How do they operate? Who gets a mantle and who doesn't? Can a mantle be given away at a minister's discretion? Can I receive a mantle?" Throughout the Church, we hear terms such as mantles, impartations, and anointings used freely, yet there often seems to be little clarity on what each term means and how they differ. Thankfully, as God's people, we have His Word to turn to for answers, and the Spirit of Truth within who reveals the profound and hidden things. Dan 2:22 NASB. In his book *Mantles Past and Present*, Roberts Liardon tackles this challenging subject, drawing on his more than 40 years of experience in ministering the Gospel, studying God's Word, and fulfilling the divine mandate Jesus gave him as a boy to study the lives of God's generals. Roberts states, "I present this book as my way to put a brick in the wall of understanding mantles. I invite others to please put their bricks on top of mine and let's help build a wall of understanding. That way we can all learn, and the next generations can reap the benefit, because the day of mantles has returned. It is here. Mantles are an important part of the last-day revival, and there has to come an understanding that can help move the Church forward in preparation for Jesus' soon return. So buckle up! It's time to take a journey into the world of mantles."
