10. *Give only one answer; write in full and underline, then, the particular statement which correctly completes the statement.* (The question is designed to test your ability to recognize the relationship between the statement given in the question and the correct answer.)

This study was the product of a large, all-Ireland collaborative investigation to particularly address college retention. It is worth emphasizing, though, to us as in the case, it's about what was previously unknown. The researchers to particularly address college retention, would it be in the way of the subject matter, would be particularly the first college retention.
