Dear Sir, I Intend to Burn Your Book Lawrence Hill, 2013-03-20 Censorship and book burning are still present in our lives Lawrence Hill shares his experiences of how ignorance and the fear of ideas led a group in the Netherlands to burn the cover of his widely successful novel *The Book of Negroes* in 2011 Why do books continue to ignite such strong reactions in people in the age of the Internet Is banning censoring or controlling book distribution ever justified Hill illustrates his ideas with anecdotes and lists names of Canadian writers who faced censorship challenges in the twenty first century inviting conversation between those on opposite sides of these contentious issues All who are interested in literature freedom of expression and human rights will enjoy reading Hill s provocative essay Introduction by Ted Bishop **Psycho-Social Analysis of the Indian Mindset** Jai B.P. Sinha, 2014-10-17 This volume situates Indians in the contemporary world and profiles the major facets of their thought and behaviour then goes back to trace their roots to ancient thought to see how the past predisposes and the present guides Indians in their everyday life The volume begins with a conceptual framework showing how the Indian worldview has encompassed and enveloped a variety of ideas and influences from divergent sources As a result Indians are both collectivists and individualists hierarchically oriented while respecting merit and quality religious as well as secular and sexually indulgent spiritual as well as materialists excessively dependent but remarkably entrepreneurial non violent in principle but violent in practice and comfortable in shifting between analytical synthetic as well as intuitive approaches to reality Such a coexistence of opposites often causes inaction hesitation and perfunctory action but also equips Indians to be innovative by continuously aligning their thought and behaviour to the demands of a milieu The milieu has an inner layer consisting of desh place kaal time and paatra person which are embedded in the larger societal contexts of castes and classes poverty corruption fragmenting politics conflicts and violence and unfolding global opportunities and challenges Cultural heritage permeates in all these Indians function in this tiered multifactorial dynamic space This volume draws evidence from ancient texts and the latest national and international research many of which were conducted by the author and his associates It does not however hesitate to indulge in anecdotal evidence cases and speculative ideas in order to complete the picture The author takes an in depth view of the Indian mindset without getting the reader lost in either the intricacies of ancient philosophical abyss or the trivialities of present day non events **Civil Liberties** Noël Merino, 2012-11-30 This volume takes readers across to the globe to learn about civil liberties from a variety of international perspectives Chapter one addresses free speech and the freedom of expression in different cultures such as India and Canada Media freedom and freedom of the press is covered in chapter two sharing details of places such as Gambia China and Iraq Readers will learn about the right to due process in chapter three and chapter four covers the right to privacy Essay sources include Siddharth Narrain Jillian Kestler D Amours Dahr Jamail Amnesty International Anti Death Penalty Asia Network and the Economist **Public Space Democracy** Nilüfer Göle, 2022-03-30 This volume takes a global

view of the emergence of public protest movements over the last decade asking whether such movements contribute to the globalization of civil society Through a variety of studies organised around the themes of public agency public norms public memory and public art it considers the tendency of political contestations to move beyond national boundaries and create transnational connections Departing from the approaches of social movements perspectives it focuses on public space as a site of social mixity and opens up a new field for the study of politics and cultural controversies An analysis of the paradigmatic change in the way in which society is made and politics is conducted this study of the new enactment of citizenship in public space will appeal to scholars of sociology anthropology geography and politics with interests in protest movements and contentious politics citizenship and the public sphere and globalization Globalisation, Values Education and Teaching Democracy Joseph Zajda, Pamela Hallam, John Whitehouse, 2023-01-18 This book critiques dominant discourses and debates pertaining to values education cultural identity and teaching democracy set against the backdrop of growing social stratification and unequal access to quality education It addresses discourses concerning globalisation ideologies and the state as well as approaches to values education and teaching democracy in schools The book explores the ambivalent and problematic connections between the state globalisation values education and teaching democracy It also explores conceptual frameworks and methodological approaches applicable to research on values education multiculturalism and identity politics Drawing on diverse paradigms ranging from critical theory to globalisation and by focusing on globalisation ideology and values education the book critically examines research dealing with cultural diversity and its impact of identity politics Given the need for a multiple perspective approach the authors have diverse backgrounds and hail from different countries and regions offer a wealth of insights contributing to a more holistic understanding of the nexus between values education multiculturalism and national identity With contributions from key scholars worldwide the book should be required reading for a broad spectrum of users including policy makers academics graduate students education policy researchers administrators and practitioners **Ruling Dynasties of Independent India - Volume 1** RAVINDRA

PADALKAR, 2021-01-16 This book is written to give an overall idea of dynastic politics in India keeping in mind that a citizen of India should know more about the politicians who are in the government and form policies and so on to take the country in the proper direction Even if there are two related members it is considered as dynasty and is included in this book Wherever possible family trees as well as the assets of our politicians are shown It was natural to start with the Nehru Gandhi family being one of the largest and longest ruling families at the helm of all affairs Then state wise the families are chosen and the account is presented As the content is extensive the book is published in two volumes States are chosen alphabetically So even if Nehru Gandhi family is in Volume 1 Tamilnadu Telangana Uttar Pradesh are in Volume 2 Early rulers in Indian history used to hand over the throne to their sons and then to the next generations for generations till some significant event upset the process mostly conspiracies by persons like very close aides of the king or a revolt Similar lines were followed even

during our democracy passing on the rule to the next generation which gave rise to dynastic rule Indian politics has witnessed a large spectrum of politicians from various fields Initially it consisted mainly of leaders from the field of law Now we find that we have eminent personalities from sports fields actors actresses superstars from the silver screen The literary field is no exception we have writers poets and so on Economists find a special place in the political arena Politics does not shun even criminals or a few dacoits who then turned to politics after surrendering Businessmen kings or princes from princely states as the British decided to call them are also found here We have learned people in politics as also the illiterate people angutha chhaap who learned to sign only after assuming the office on being elected People are interested in knowing the assets of politicians This point is covered by using the asset declaration given by the politicians at the time of the election

Final Fire Michael Mitchell, 2019-05-14 See the world through a photographer's eyes Final Fire is a companion piece to Mitchell's much praised 2004 memoir *The Molly Fire* a finalist for both the Writers Trust Drainie Taylor Biography Prize and the Governor General's Award for Non-fiction and a Globe and Mail Best Book of the Year Nearly a half century ago Mitchell abandoned a safe and secure academic career to become a cowboy with a camera and a keyboard While he has always kept one foot planted firmly in the arts as a working photographer his search for adventure took him through the Americas into the High Arctic across Europe on to the Middle East India and the Far East He

photographed famous athletes musicians actors politicians revolutionaries and more than a few criminals The sum of these scary strange heartrending and funny episodes is one man's prescription for how to live in a bizarre and best of all never boring world It is also a book about loss Mitchell reflects on the invention of photography and its transformative effect on world culture and pays tribute to fellow photographers who led remarkable and frequently obsessive lives Literature and Nation Harish Trivedi, Richard Allen, 2000 This is the first book to deal with the culture of Britain and India over the past two hundred years in an integrated way Previously unavailable texts make this an invaluable resource for all those interested in British and Indian literature

Maximum City Suketu Mehta, 2009-10-21 A native of Bombay Suketu Mehta gives us an insider's view of this stunning metropolis He approaches the city from unexpected angles taking us into the criminal underworld of rival Muslim and Hindu gangs following the life of a bar dancer raised amid poverty and abuse opening the door into the inner sanctums of Bollywood and delving into the stories of the countless villagers who come in search of a better life and end up living on the sidewalks As each individual story unfolds Mehta also recounts his own efforts to make a home in Bombay after more than twenty years abroad Candid impassioned funny and heartrending **Maximum City** is a revelation of an ancient and ever changing world

Turning the Page Angus Phillips, 2014-02-05 This is an exciting period for the book a time of innovation experimentation and change It is also a time of considerable fear within the book industry as it adjusts to changes in how books are created and consumed The movement to digital has been taking place for some time but with consumer books experiencing the transition the effects of digitization can be clearly seen to everybody In **Turning the Page** Angus Phillips analyses the fundamental drivers of the book publishing industry authorship readership and copyright and examines the effects of digital and other developments on the book itself Drawing on theory and research across a range of subjects from business and sociology to neuroscience and psychology and from interviews with industry professionals Phillips investigates how the fundamentals of the book industry are changing in a world of ebooks self publishing and emerging business models Useful comparisons are also made with other media industries which have undergone rapid change such as music and newspapers This book is an ideal companion for anyone wishing to understand the transition of the book writing and publishing in recent years and will be particularly relevant to students studying publishing media and communications

Postcolonial Realism and the Concept of the Political Eli Park Sorensen, 2021-04-28 As the scholarly world attunes itself once again to the specifically political this book rethinks the political significance of literary realism within a postcolonial context Generally postcolonial studies has either ignored realism or criticized it as being naive anachronistic deceptive or complicit with colonial discourse in other words incongruous with the postcolonial This book argues that postcolonial realism is intimately connected to the specifically political in the sense that realist form is premised on the idea of a collective reality Discussing a range of literary and theoretical works Dr Sorensen exemplifies that many postcolonial writers were often faced with the realities of an unstable state a divided

community inhabiting a contested social space the challenges of constructing a notion of the people often out of a myriad of local communities with different traditions and languages brought together arbitrarily through colonization The book demonstrates that the political context of realism is the sphere or possibility of civil war divided societies and unstable communities Postcolonial realism is prompted by disturbing political circumstances and it gestures toward a commonly imagined world precisely because such a notion is under pressure or absent
