CYLINDER 16H Big 4 18 19R 19S 50 ES2 After the war ended in 1945 Norton resumed production of their civilian line of  
motorcycles and they also began publishing appropriate workshop manuals and parts lists Unfortunately there were  
numerous editions of these publications and while they identified the models they covered the workshop manuals rarely  
identified the years they covered Ultimately this can lead to confusion regarding the selection of the appropriate publication  
for a particular year of Norton motorcycle WORKSHOP MANUALS Those published from 1945 up through 1960 were  
normally exclusive to a specific model However beginning in the 1960 s a series of workshop manuals were published that  
combined the data for both the single and twin cylinder models Starting with part number P101 followed by P106 and finally  
P106 P this series of manuals was updated at various times through 1970 however they continued to include the ES2 and 50

singles When the 250cc Jubilee twin was introduced in 1958 the earlier P series combination workshop manuals were superseded by the publication of a 1960 1970 factory Lightweight Heavyweight Twins manual obviously the single cylinder machines were no longer included Owners of the single cylinder models may also find our Book of the Norton 1932 1947 ISBN 9781588501288 Book of the Norton 1938 1956 ISBN 9781588502063 and Book of the Norton 1955 1963 ISBN 9781588501196 to be of interest IMPORTANT NOTE Many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and published complete with greasy pages and thumbprints and as such are deceptively described as pre owned In addition they are often advertised for the incorrect series and or model years of motorcycles However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product
