Dr. Apostle Emmanuel Adebisi

Romans Chapter 15 Verse 13:

Be a Model for the Gospel Orlando Bethel and Glynis Bethel,1998-08 **The Divine Comedy of Dante Alighieri**

Robert M. Durling,2004-04-08 The English prose is arranged in tercets to facilitate easy correspondence to the verse form of the Italian on the facing page enabling the reader to follow both languages line by line In an effort to capture the peculiarities of Dante s original language this translation strives toward the literal and sheds new light on the shape of the poem **The Bible Interpreter, Or, Improved Helps to Bible Study ...** Roswell Dwight Hitchcock,1897 *Paul and The*

Restoration of Humanity in Light of Ancient Jewish Traditions Aaron Sherwood,2012-10-12 In Paul and The Restoration of Humanity in Light of Ancient Jewish Traditions Aaron Sherwood questions the assumption of universalism in Pauline thought demonstrating that relevant Pauline traditions depict a particularly Israelite restoration of humanity that perhaps plays a generative role in Paul s theology mission and apostolic self identity How to Obtain the Promises of God Dr. Apostle

Emmanuel Adebisi,2011-01-11 Every true believer must daily live for the promises and by the promises of God Whosoever does not live by these promises is living for nothing without God in the world and is spiritually aimless Now we brethren as Isaac was are the children of promise Galatians 4 28 Daily connectors to the throne of mercy where grace is obtain and strength and power is given against each day s evil are those that are standing on the promises of God Everything is derived by grace We are saved sustained and accomplished by grace The God of all grace which is also our sufficiency has made grace sufficient for all things Nothing can be received nor obtained from the throne of grace except through the provisions from the promising notes which is the word of God Any day you failed to connect to the throne of grace you are on your own Without him you can do nothing Hebrews 4 16 John 15 5 For some the promises of God are 7 500 and to another 13 000 and to another 9 999 etc The scripture is very clear that the promises of God go beyond numbers counting and quantity They are given by divine love which surpasses human understanding and that is why Apostle Peter calls them EXCEEDING GREAT AND PRECIOUS PROMISES 2 Peter 1 4 There is no counting neither limits to what divine power which has given unto us all things that pertains to life and godliness can accomplished through us and for us for he is able to do EXCEEDING ABUNDANTLY ABOVE ALL THAT WE ASK OR THINK ACCORDING TO HIS POWER THAT WORKS IN US O you that answered prayer unto you all flesh shall come When you want to gain the world without God in your world youll end up losing all including your own soul This time around it shall not be in a cave like lot worst and much more in the bottomless pit for all eternity for what shall it profit a man if he shall gain the whole world and lose his soul or what shall a man give in exchange for his soul For those who have been faithfully waiting up to seven years or more for promises given yet unfulfilled 2011 is your year of eleventh hour of divine reward says the Spirit of God Scripture, Cultures, and Criticism K. K. The Power of God in Paul's Letters Petrus J. Gräbe, 2008 The concept of God's power is a leading motif in Pauline theology It functions in key passages of Paul's letters and is intrinsically linked to his theology of the cross and its soteriological explication in the message of justification Because this concept is so closely related to the message of the cross Paul often speaks of power in a paradoxical context Although power is generally assumed to be an important motif in Pauline theology the concept has not yet been fully explored Petrus J Grabe investigates the concept of God's power in Paul's letters He also gives an overview of God's power in the broader New Testament context in order to distinguish more clearly the specific Pauline interpretation of the power of God The investigation comprises three sections A lexico and conceptual historical overview of the concept of power an exegetical investigation of the concept of God's power in Paul's letters and a theological scope of the concept of God's power in the Pauline letters In the last section Petrus J Grabe distinguishes between a theological christological and a pneumatological emphasis The concept of God's power plays an important role in the way Paul views his apostolic ministry In the concluding chapter the author therefore deals with Paul's ministry within the christological perspective on weakness and power The work is an important contribution to Pauline studies and is a well researched thorough and scholarly study Jeffrey R Asher in *The Catholic Biblical Quarterly* vol 64 2002 page 762 This book is a useful refresher course on Paul with a valuable dialogue with the most recent monographs and commentaries on his letters Benedict T Viviano in *Zeitschrift für Missions und Religionswissenschaft* Jahrgang 86 2002 p 74 *The Most Delectable, Scriptural and Pious History of the Famous and Magnificent Great Eastern Window (according to Beautiful Portraits) in St. Peter's Cathedral, York ...* Thomas Gent, 1762 **Scripture illustrated by means of natural Science: in botany, geology, geography ...** Charles Taylor, 1814 *The Holy Bible: Isaiah, Jeremiah, Lamentations, Ezekiel, Daniel, and the Minor prophets*, 1825 **Boundless** Danielle Strickland, 2013-03-25 What if there were ways to live that filled you rather than depleting you What if there were an ocean of joy freedom and wholeness within reach What if you could tap into an inexhaustible resource of power and love What would your life look like without fear These are the questions God put deep inside of us so we'd go looking for more Looking for more is what this book is all about a massive jump into a boundless
