## **Romans Study Guide Questions:**

**Discipling Through Romans Study Guide** Don Krow, 2022-02-01 A believer once told me how he would gather with a Bible study group and discuss Andrew's Life for Today commentary notes. Many in the group found this method of study to be helpful in their walk with God. So I decided to put together *Discipling Through Galatians*, a study guide based on notes from Andrew's Living Commentary and Life for Today. *Bible Study Questions on the Book of Romans* David E. Pratte, 2014-02-24 This workbook on Romans was designed for use in Bible classes, family study, or personal study. The class book material is suitable for teens and adults. Questions in the lessons contain minimal human commentary but instead guide students to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students. *Romans: An Introduction and Study Guide* Sze-kar Wan, 2020-12-10 Sze-kar Wan examines the social and political ramifications of Paul's last and longest letter. By taking seriously Paul's faithfulness to his ancestral tradition, Wan argues that Paul is engaged in ethnic construction by incorporating non-Jews into Ideal Israel. With its claim of universality and the cosmic Son of God installed as king, Ideal Israel stands in pointed opposition to the Roman Empire. Wan presents the Letter to the Romans as Paul's extended argument to his Gentile audience in defence of Ideal Israel and their place in it without ignoring such prominent themes as good news, faith, and belief, eschatology, and the collection for the poor. By also including a reading of Romans 13 as resistance against absolute authority at variance with historical interpretations that defended American slavery and German Nazism, Wan gives readers a new perspective on a defiant message that can be marshalled to resist oppressive regimes. **Romans Bible Study Guide plus Streaming Video** Jada Edwards, 2021-12-21 Romans shows us the power of the gospel to bring clarity to everyday life through faith in Christ. By writing Romans, Paul provides a comprehensive overview of God's plan for salvation and how to live within that amazing plan. In this eight-session video Bible study, video streaming included, Bible teacher Jada Edwards explores the Apostle Paul's expression of our faith in his letter to the Christians in Rome and what that gospel-driven faith looks like in practice: how we love people, how we make decisions, how we live in community, and how we foster unity with others. This study guide has everything you need for a full Bible study experience, including the study guide itself with discussion and reflection questions, video notes, and a leader's guide. An individual access code to stream all eight video sessions online; you don't need to buy a DVD. Scripture memory cards and coloring pages. Our whole identity with Christ is found in the cross It was there that God dealt totally with sin And it is there that God  
intends us to be united with Christ in His death so that we would forever hate sin abhor sin and forsake sin In our intimate  
relationship with Christ and His crucifixion God intends for us to obtain His perspective on sin to feel its horrors as Christ  
does and then to let God put sin to death in our lives as He did in the crucifixion of His Son The victory accomplished through  
Christ s death and resurrection is the very same victory we can experience daily in our lives Henry Blackaby     *The Sermon*
