

## Essay Example on Same-Sex Marriage: A Historical Perspective Essay

### Introduction

For many people, if not most, marriage is the ultimate goal in life. It is the moment where you find your life partner whom, according to many people, you hope to share life's happiness until death do you apart. Most people get ambitious to get married over and over again even when the love turns sour. In most cases, marriage has been happening between people of the opposite sex. However, several instances of same-sex marriage have also been witnessed dating from a few decades ago. This paper shows why I support gay marriage based on my ideology and beliefs. Additionally, I will give reasons why other institutions also align themselves with this line of thought. Finally, the paper will also look at why some people opt to oppose gay marriage and the reasons why statistics indicate a rise in the number of people lobbying support for same-sex marriage.

### Reasons why Gay Marriage should be Allowed

To start with, the institution of marriage can be understood if we look into why people get married. In as much people get married for various reasons, the most common ones include mutual companionship, childbearing and rearing, affection, and sexual relations ("Changing Attitudes on Gay Marriage"). Worth noting is that a person can get most of these if not all in both men and women. That is to say, a woman can get married to another woman if they both have the same interests in marriage.

Secondly, for a very long time, people lived in the age where a man had to get married to a woman to be considered marriage. However, this is not the case as divorce is ubiquitous. Ideologies are changing and people no longer find happiness in the conventional way that used to be. For this same reason, many have resorted to trying gay marriage and a lot of people have reported happiness from that sense.

### An Organization that Supports Same-Sex Marriage

The debate on whether gay marriage should be allowed or not still continues to cause divisions in some parts of the world. Some organizations are in full support of this whereas others are totally against it, reasons notwithstanding. Worth mentioning is that the debate on same-sex marriage is not about religion. This is so because some denominations approve of the same while others still have differing ideologies. Mostly, the religious aspect is silent over the matter and fighting on issues that affect the churches.

The Supreme Court of the United States approved same-sex relations and even allowed people of the same sex to marry. The idea of marriage, as put across by the court, is that an individual shapes his or her own destiny when it comes to marriage (Home - Supreme Court of the United States). In so doing, the decision to marry whoever lies solely on the individual. Furthermore, as long as both parties attained happiness in the marriage, there would be no reason to deny them the right to marry. This is also the same belief that I hold in that people should have the free will to determine

## Same Sex Marriage Introduction Essay:

**The Cambridge Introduction to Shakespeare** Emma Smith, 2007-03-08 This lively and innovative introduction to Shakespeare promotes active engagement with the plays rather than recycling factual information Covering a range of texts it is divided into seven subject based chapters Character Performance Texts Language Structure Sources and History and it does not assume any prior knowledge Instead it develops ways of thinking and provides the reader with resources for independent research through the Where next sections at the end of each chapter The book draws on scholarship without being overwhelmed by it and unlike other introductory guides to Shakespeare it emphasizes that there is space for new and fresh thinking by students and readers even on the most studied and familiar plays *Moral Argument, Religion, and Same-sex Marriage* Gordon Albert Babst, Emily R. Gill, Jason Pierceson, 2009-01-01 The diverse expert contributors to this volume from the fields of politics and law use moral argumentation with respect to same sex marriage gay rights in general and California s Prop 8 The arguments are advanced in terms of the nation s foundational political and legal principles extending ethical argumentation to important contemporary public policy areas such as marriage the separation of church and state and the rearing of children Several chapters also contest the perceived if not actual establishment in the law and public policy of heterosexist and religious bias that continues to work against full and meaningful inclusion of sexual minorities This bias is ironically and improperly couched in the language of American political and religious values and it misunderstands the nation s core principles or willfully miscasts them as inapplicable to many Americans and their families Nonetheless this bias is pervasive in the nation s political discourse working to deny an important right and the recognition of equality to many citizens The main contribution of *Moral Argument Religion and Same Sex Marriage* is in its direct engagement with the political and legal arguments of the gay community s critics on their own moral and ethical terms Along the way important concepts in public discourse such as governmental neutrality the right to marry and religious freedom are presented and cast in the light of liberal democratic theory *The Contemporary American Essay* Phillip Lopate, 2021-08-03 A dazzling anthology of essays by some of the best writers of the past quarter century from Barry Lopez and Margo Jefferson to David Sedaris and Samantha Irby selected by acclaimed essayist Phillip Lopate The first decades of the twenty first century have witnessed a blossoming of creative nonfiction In this extraordinary collection Phillip Lopate gathers essays by forty seven of America s best contemporary writers mingling long established eminences with newer voices and making room for a wide variety of perspectives and styles *The Contemporary American Essay* is a monument to a remarkably adaptable form and a treat for anyone who loves fantastic writing Hilton Als Nicholson Baker Thomas Beller Sven Birkerts Eula Biss Mary Cappello Anne Carson Terry Castle Alexander Chee Teju Cole Bernard Cooper Sloane Crosley Charles D Ambrosio Meghan Daum Brian Doyle Geoff Dyer Lina Ferreira Lynn Freed Rivka Galchen Ross Gay Louise Glück Emily Fox Gordon Patricia Hampl Aleksandar Hemon Samantha Irby Leslie Jamison Margo Jefferson Laura Kipnis David Lazar Yiyun Li Phillip

Lopate Barry Lopez Thomas Lynch John McPhee Ander Monson Eileen Myles Maggie Nelson Meghan O Gieblyn Joyce Carol Oates Darryl Pinckney Lia Purpura Karen Russell David Sedaris Shifra Sharlin David Shields Floyd Skloot Rebecca Solnit Clifford Thompson Wesley Yang An Anchor Original **Applied Ethics** Larry May,2017-07-05 This best selling text continues to fill an existing gap in the literature taught in applied ethics courses As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum texts are needed that represent more multicultural and diverse histories and backgrounds This new edition enhances gender coverage as nearly half of the pieces are now authored by women The new edition also increases the percentage of pieces written by those who come from a non Western background It offers twelve up to date articles not found in previous editions on human rights environmental ethics poverty war and violence gender race euthanasia and abortion all of these topics are addressed from Western and non Western perspectives **Gender, Sexuality and Law** Chris Ashford,Alexander Maine,2024-10-03 This textbook combines pioneering feminist and queer judgments and statutes with critical and intersectional theories to provide a comprehensive overview of the field of gender sexuality and law A diverse range of socio legal experts set out the theoretical and legal foundations of the topic before examining the ongoing struggle for rights and contemporary dissenting voices Essay Writing for Canadian Students Kay Lanette Stewart,Chris Bullock,Marian Allen,2003-06-16 *Bisexuality and Same-Sex Marriage* M. Paz Galupo,2014-06-03 In our society the argument for or against same sex marriage becomes even more heated when the debate turns to bisexual women and men *Bisexuality and Same Sex Marriage* thoughtfully explores this debate from a wide range of interdisciplinary perspectives presenting respected scholars from fields as diverse as American Studies Communication Criminology Human and Organizational Systems Law and Social Policy LGBT Studies Organizational Behavior Psychology Sociology Women s Studies and Queer Studies This clear viewed volume is organized into three perspectives theoretical research and personal that frame the debate from a macro to micro level of analysis This book goes beyond the intense acrimony and divisiveness to rationally examine the issue from various viewpoints and through the latest research This informative text presents and analyzes in depth the current findings and the diverse LGBT and straight perspectives on the issue This insightful resource discusses in detail personal views the latest theories and is extensively referenced *Bisexuality and Same Sex Marriage* is an essential volume for LGBT studies professionals psychologists counselors educators students and interested general public This book was published as a special issue of the *Journal of Bisexuality* Sexual Ethics Patrick D. Hopkins,2023-01-04 An accessible and engaging anthology of readings focused specifically on applied ethics issues of sexual morality *Sexual Ethics An Anthology* addresses conceptual ethical and public policy issues about sex providing a balanced and non sectarian discussion of many of today s most important and controversial moral topics Covering a broad range of contemporary sexual ethics issues this easily accessible textbook includes explications and point counterpoint pieces on the definition of sex and sexual orientation sexual harassment and

rape law sexual discrimination age of consent marriage and adultery online affairs gay marriage polygamy and polyamory sexual orientation change therapy transgender and sex reassignment surgery intersexed infants and surgery pornography prostitution psychiatric classifications of sexuality disorders and specific paraphilias Organized around six broad themes Consent Marriage Homosexuality Transgender Commerce and Paraphilias Sexual Ethics presents multiple sides of each issue offering diverse perspectives on critical topics supported by relevant philosophical arguments position papers psychological studies government regulations and court rulings Sexual Ethics is particularly designed to provide a ready made course in sexual ethics with several major elements ideally suited for classroom instructors and students Includes an introductory chapter on key definitional conceptual and theoretical issues Features Framing Questions for each section that address a major moral or policy issue and highlights the pro con nature of the readings e g How should we define rape Should pornography be protected as free speech Features a short summary at the beginning of each reading including the topic major points and conclusion very helpful for instructor planning Features 15 Discussion Starters that help students start thinking critically and talking about sexual ethics before doing any reading Features 45 brief Decision Cases drawn from major media stories especially relevant to the college student context including college virginity male rape child pornography on television college sexual harassment faux bisexuality fraternity party sex transgender inclusion race and sex asexuality bromances campus pride groups fetishes and kink online sex Title IX mandatory reporting transgender sports competition religious diversity and sex sex education feminists working at sexually exploitative jobs cancel culture and robot sex These cases are ideal for class discussion class presentations and research paper topics Sexual Ethics An Anthology is an excellent textbook for undergraduate classes in applied ethics sexual ethics and gender studies as well as related courses in sociology public policy marriage and family law and social work

**Understanding and Teaching U.S. Lesbian, Gay, Bisexual, and Transgender History** Leila J. Rupp, Susan K. Freeman, 2014-12-17 Understanding and Teaching U S Lesbian Gay Bisexual and Transgender History is the first book designed for teachers of U S history at all levels who want to integrate queer history into the standard curriculum Bringing together inspiring narratives from teachers in high schools and universities informative topical chapters about significant historical moments and themes and innovative essays about sources and interpretive strategies well suited to the history classroom this volume is a valuable resource for anyone who thinks history should be an inclusive story

*After Marriage* Elizabeth Brake, 2016-01-04 In this collection liberal and feminist philosophers debate whether marriage reform ought to stop with same sex marriage Some authors argue for abolishing marriage or for new legal forms such as polygamy or temporary marriage Others argue that the liberal values justifying same sex marriage do not entail further reform

**Sex and Gender** Mary Jo Iozzio, Patricia Beattie Jung, 2017-11-09 Sex and Gender Christian Ethical Reflections contains some of the subject s most important analyses in recent decades The collection covers a wide range of topics same sex marriage sexual minorities and biblical interpretation

sex and power sexual harassment and sexual abuse HIV AIDS and prevention strategy the military and masculinities mobile porn and sexting human trafficking moral discernment and more Contributors represent various theological traditions and draw on scriptural texts as well as such disciplines as philosophy sociology psychology and the life sciences Each essay is followed by a set of discussion questions for the classroom or for students to use as an assignment outline and suggestions for further reading and research Teachers and students of Christian ethics will appreciate this multidisciplinary approach to one of the most divisive and controversial issues in contemporary culture

**Feminism, Sexuality, and Politics** Estelle B. Freedman, 2006 One of a small group of feminist pioneers in the historical profession Estelle B. Freedman teaches and writes about women's history with a passion informed by her feminist values Over the past thirty years she has produced a body of work in which scholars

*Religious Diversity Today* Jean-Guy A. Goulet, Liam D. Murphy, Anastasia Panagakos, 2015-12-01 This insightful three volume set examines faith through the social and cultural perspective of anthropology sociology and religious studies shedding light on the role of religion in the human experience Why is human suffering and the existence of evil part of the human experience How does religious doctrine establish one's identity In what ways does religion interact with and shape the social order This thought provoking work ponders these questions and explores the concept of religion from various perspectives as a tool for self and community based spiritual awareness as a set of practices that translates faith into interaction with others and as a cornerstone of society for those who seek to harness or hinder its influence Written in accessible and inviting language each volume focuses on a particular dimension of religion The first book examines religious experience in the modern world and explores suffering in religious faiths the second volume centers around ritual and pilgrimage and the last book analyzes the controversial relationship between religion and societies The content features such thought provoking topics as death and green burials sexuality and sex trade and how and why evil manifests in the human experience

*Democratic Anxieties* Mario Feit, 2011-03-15 *Democratic Anxieties* Same Sex Marriage Death and Citizenship proceeds from the surprising parallels between straight and gay opponents of same sex marriage With their apocalyptic rhetoric they inadvertently point to a frequently neglected existential dimension of democratic citizenship *Democratic Anxieties* argues that we must pay attention to the existential significance of democratic citizenship because otherwise we end up with anxious democracy a democracy that cannot fully embrace pluralism especially when the connections between sex death and citizenship are at stake This book pursues a less anxious conception of democratic citizenship in chapters on Jean Jacques Rousseau Hannah Arendt and Friedrich Nietzsche Feit reveals how Rousseau diminishes democratic citizenship by linking it to existential consolation via sexual reproduction He interprets Arendt as a queer theorist because she rejects the heteronormative pursuit of reproductive immortality Yet the hope for immortality persists within Arendt's conception of political action which delimits its democratic potential Feit argues that Nietzsche resists both Rousseau's political idealization of heterosexuality and Arendt's anxious alternative Calling for an affirmation of death Nietzsche creatively

reimagines sexual as well as cultural reproduction that pluralizes democratic citizenship The resulting more existentially aware democratic politics not only contributes to lesbian and gay equality but is also critical in a post September 11 world

*The Romance of Innocent Sexuality* Geoffrey Rees,2011 From the polling place to the pulpit *The Romance of Innocent Sexuality* investigates the passions that are enacted in debates about same sex marriage In a critique that is at once humorous and unrelenting Geoffrey Rees argues that sexual desire is fundamentally a desire to make sense of oneself as a whole person Through a constructive engagement with the writings of Saint Augustine on original sin Rees turns on its head the conventional wisdom regarding the goodness of sexual relationship arguing that sin not innocence is the starting point in pursuing justice in sexual ethics To that end Rees boldly reclaims the wisdom of the most disreputable teachings of the Augustinian tradition that original sin is a literal inheritance of all humanity of the singular disobedience of Adam and Eve in Eden and the inherent sinfulness of all human sexuality This work also engages theological readings of nineteenth century fiction and literary readings of contemporary theological writings In so doing Rees shows that debates about same sex marriage are so compelling because the participants are all telling a common story in which they seek to establish the innocence of their own preferred forms of self understanding as defined against some other persons sinful selves In contrast to this Rees argues for the acceptance of responsibility for the sinful exclusions that make possible finding the meaning of embodied personal identity through marriage between any two persons Nussbaum and Law Robin West,2017-07-05 The essays collected in this volume reflect the profound impact of Martha Nussbaum s philosophical writings on law and legal scholarship The capabilities approach that she has largely authored has influenced the approach scholars take to the law of disabilities both in the United States and in Canada as well as to international human rights and to domestic private law s protections of vulnerable populations Her analyses of the relationship between our emotions and our thought and action has triggered a re assessment of the legal regulation and recognition of emotion in a range of fields most particularly in the field of criminal law and her writing on the nature of dignity has informed an understanding of the emerging civil rights of gay and lesbian citizens worldwide Our appreciation of the role of narrative in legal thought and discourse and the contributions of literature to law and legal culture have also been broadened and deepened by her contributions Taken together and including the introduction by the editor the essays collected in this volume demonstrate the far reaching impact of Nussbaum s philosophical oeuvre **Kant and the Scottish Enlightenment** Elizabeth Robinson,Chris W. Surprenant,2017-06-26 This book examines the influence of Hume Reid Smith Hutcheson and other Scottish Enlightenment thinkers on Kant s philosophy It begins with the influence of these thinkers on Kant then moves to an examination of the relationship between truth freedom and responsibility and its connection to Kant s metaphysics and aesthetics **Frozen Institutions** Bruce N. Kaye,2022-07-26 Thanks for the memories well maybe not It has been hard work getting over the break up of the fifteen hundred year Anglican marriage of church and state the so called English Christendom It is still a work in progress because

the marriage left behind so many unconscious assumptions about power institutions and community relations The first group of essays in this book challenges some of the frozen elements in church institutions in particular habits of orthodoxy catholicity and canonical Scripture They are framed in the context of the struggles of the Anglican Communion The second set of essays refer to the Anglican Church of Australia and some attempts at de frosting its institutions These are lectures and papers given across Australia mostly during the author s time as General Secretary of the Anglican Church of Australia The last essay is an account of a current struggle over the blessing of a same sex couple legally married under recently changed civil law It illustrates the role of the constitution of the church in this dispute The loose federation of dioceses in the constitution has generally enabled dioceses to live separately The danger in this has been the specter of a church made up of diocesan silos rather than of engaged fellowship However the federal structure does not need to work that way Indeed in the present conflict situation this very looseness could be used to provide space for more respectful engagement How this crisis is handled will be an early clue as to whether the church is up to it

*Queer Studies* Bruce Henderson,2019-09-10 Written for entry level survey courses in queer or LGBTQ Studies for students from all majors this engaging text covers a wide range of topics Early chapters consider the meaning of queer and examine identities such as trans bi and intersex Intersections between sexuality gender expression and other identities such as race ethnicity and class are also examined The book then reviews life experiences such as families friendship religion and spirituality health and politics through the lens of queerness

*Queer Studies Beyond Binaries* Engages undergraduates with a narrative that applies key ideas to their own lives and experiences Questions various binaries either or pairings to help students examine their own sexual identity and gender expression Reviews foundational concepts from queer theory and queer history to create a deeper understanding of the concepts Emphasizes an intersectionality approach that demonstrates how one s identity is the product of multiple characteristics such as sexuality gender race class and dis ability Uses a multidisciplinary approach drawing from the social and natural sciences humanities and arts to provide a broad overview of perspectives Details an individual or an event in Spotlight on sections to highlight the experiences of queer people Provides questions for class discussion or field activities in Issues for Investigation sections that apply the ideas covered in the chapter Allows instructors to shape the class with different foci using the stand alone chapters in Part III Features an Instructor s resource manual available to adopters with 20 PowerPoint slides for each chapter sample syllabi for a variety of courses teaching tips for using the Spotlight On and Issues for Investigation sections and the suggested readings a test bank with objective and essay questions and student aids such as keywords chapter outlines and summaries and learning objectives Designed for undergraduate courses in queer or LGBT Studies requiring no prerequisites *Queer Studies Beyond Binaries* also serves as an excellent supplement in courses on queer theory or history or on sexuality gender and women s studies

**Sexuality and the Sacred, Second Edition** Marvin M. Ellison,Kelly Brown Douglas,2010-09-21 Christian discourse on sexuality spirituality and ethics has continued to evolve

since this book's first edition was published in 1994. This updated and expanded anthology featuring more than thirty contemporary essays includes more theologians and ethicists of color and addresses issues such as the intersection of race, racism, and sexuality; transgender identity; same-sex marriage; and reproductive health and justice.

### **Same Sex Marriage Introduction Essay Introduction**

In today's digital age, the availability of Same Sex Marriage Introduction Essay books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Same Sex Marriage Introduction Essay books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Same Sex Marriage Introduction Essay books and manuals for download is the cost-saving aspect. Traditional books and manuals can

be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Same Sex Marriage Introduction Essay versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Same Sex Marriage Introduction Essay books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Same Sex Marriage Introduction Essay books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Same Sex Marriage Introduction Essay books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Same Sex Marriage Introduction Essay books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Same Sex Marriage Introduction Essay books and manuals for download and embark on your journey of knowledge?

## FAQs About Same Sex Marriage Introduction Essay Books

1. Where can I buy Same Sex Marriage Introduction Essay books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
