

- “If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and in the next place, oblige it to control itself.”

-James Madison Federalist no. 51

QUESTIONS- discuss with partner

What does the rest of the quote imply about government?
