idealism Finally he describes Lincoln s role as chief advocate for the Declaration s principles and how the Gettysburg Address and his Second Inaugural Address reflect this underlying philosophy This insightful look into the thinking of one of our nation s greatest presidents during a time of crisis is highly relevant in today s climate of religious extremism and debates over the balance between individual liberty and national security Metamorphosis: A Collection of Stories Propertius Press,2019-07-13 In this collection 26 stories chronicle deep metamorphosis where by a lesson a journey discoveries the confluence of ideas an accident or some other more esoteric circumstances we become more attuned to the connections and distances between the inner and outer worlds than perhaps we were at the beginning We grow wings take flight and start all over again An American Dream Norman Mailer,2015-02-17 In this wild battering ram of a novel which was originally published to vast controversy in 1965 Norman Mailer creates a character who might be a fictional precursor of the philosopher killer he would later profile in The Executioner s Song As Stephen Rojack a decorated war hero and former congressman who murders his wife in a fashionable New York City high rise runs amok through the city in which he was once a privileged citizen Mailer peels away the layers of our social norms to reveal a world of pure appetite and relentless cruelty One part Nietzsche one part de Sade and one part Charlie Parker An American Dream grabs the reader by the throat and refuses to let go Praise for An American Dream Perhaps the only serious New York novel since The Great Gatsby Joan Didion National Review A devil s encyclopedia of our secret visions and desires the expression of a devastatingly alive and original creative mind Life A work of fierce concentration perfectly and often brilliantly realistic with a pattern of remarkable imaginative coherence and intensity Harper s At once violent educated and cool This is our history as Hawthorne might have written it Commentary Praise for Norman Mailer Norman Mailer loomed over American letters longer and larger than any other writer of his generation The New York Times A writer of the greatest and most reckless talent The New Yorker Mailer is indispensable an American treasure The Washington Post A devastatingly alive and original creative mind Life Mailer is fierce courageous and reckless and nearly everything he writes has sections of headlong brilliance The New York Review of Books The largest mind and imagination in modern American literature Unlike just about every American writer since Henry James Mailer has managed to grow and become richer in wisdom with each new book Chicago Tribune Mailer is a master of his craft His language carries you through the story like a leaf on a stream The Cincinnati Post The Priesthood Witness Lee,2017-03-01 In God s dispensation and economy the leading ministry is the priesthood In this universe God has an administration a divine economy His economy is the way He arranges or dispenses Therefore it is a kind of dispensation According to the Bible there are three main ministries in God s divine dispensation the priesthood the kingship and the prophethood The priesthood is the leading ministry of the three and brings the kingship and prophethood into function In other words both the kingship and the prophethood depend upon the leading ministry of the priesthood **Brownson's Quarterly Review** Orestes Augustus Brownson,1845
