INTRODUCTION

Fiber Glass Systems (FGS) fiberglass reinforced epoxy and vinyl ester resin piping systems possess excellent corrosion resistance and a combination of mechanical and physical properties that offer many advantages over traditional piping systems. Fiber Glass Systems is recognized worldwide as a leading supplier of piping systems for a wide range of chemical and industrial applications.

This manual is provided as a reference resource for some of the specific properties of FGS piping systems. It is not intended to be a substitute for sound engineering practices as normally employed by professional design engineers.

Fiber Glass Systems has an international network of distributors and trained field personnel to advise on proper installation techniques. It is recommended they be consulted for assistance when installing FGS piping systems. This not only enhances the integrity of the piping system, but also increases the efficiency and economy of the installation.

Additional information regarding installation techniques is provided in the following FGS installation manuals:

Manual No. F8800	Pipe Installation Handbook for Tapered Butt & Spigot Joints
Manual No. F8900	Pipe Installation Handbook for Straight Socket Joints and Butt & Weld Joints
Manual No. F8200	Pipe Installation Handbook for Marine-Offshore Piping

GENERAL POLICY STATEMENT

It is the policy of Fiber Glass Systems to improve its products continually. In accordance with that policy, the right is reserved to make changes in specifications, descriptions, and illustrative material contained in this manual as conditions warrant. Always cross-reference the bulletin date with the most current version listed at www.smithfibercast.com. The information contained herein is general in nature and is not intended to express any warranty of any type whatsoever nor shall any be implied. In providing this technical information, Fiber Glass Systems has not been retained as and does not assume the role of engineering consultant to any user or customer. Fiber Glass Systems does not accept and specifically disclaims any responsibility or warranty for the design, specification, installation, or design performance of any fiberglass piping system.
