Migration and Agriculture Alessandra Corrado, Carlos de Castro, Domenico Perrotta, 2016-07-28 In recent years Mediterranean agriculture has experienced important transformations which have led to new forms of labour and production and in particular to a surge in the recruitment of migrant labour The Mediterranean Basin represents a very interesting arena that is able to illustrate labour conditions and mobility the competition among different farming models and the consequences in terms of the proletarianization process food crisis and diet changes Migration and Agriculture brings together international contributors from across several disciplines to describe and analyse labour conditions and international migrations in relation to agri food restructuring processes This unique collection of articles connects migration issues with the proletarianization process and agrarian transitions that have affected Southern European as well as some Middle Eastern and Northern African countries in different ways The chapters present case studies from a range of territories in the Mediterranean Basin offering empirical data and theoretical analysis in order to grasp the complexity of the processes that are occurring This book offers a uniquely comprehensive overview of migrations territories and agro food production in this key region and will be an indispensable resource to scholars in migration studies rural sociology social geography and the political economy of agriculture

Peacemaking and the Extractive Industries Natalie Ralph, 2017-11-22 Peacemaking and the Extractive Industries addresses a significant gap in research on the political and diplomatic role of multinational corporations in peace processes in intrastate conflict Corporate Peacemaking The author focuses on corporations in the oil and mining sectors supporting or participating in peace negotiations and mediation The chapters explore national level peace processes as well as those at community and global levels While the focus is on extractive companies the findings are valuable to companies from all industries looking at peace related processes This ground breaking book gives a comprehensive picture of how Corporate Peacemaking currently works how it can be developed and implemented and how it is likely to impact global governance and corporate culture in the future The book demonstrates that Corporate Peacemaking has the potential to be a powerful element in international governance and peace efforts and Ralph shows through the business case that companies as well as communities will benefit Ralph presents a new framework for Corporate Peace that will assist companies from all sectors in countries experiencing violent conflict in addition to instability human rights abuses and poor governance Based on rigorous academic research with practical case studies it is essential reading for practitioners academics policy makers and NGOs

Global Governance and India's North-East Ranabir Samaddar, Anita Sengupta, 2019-06-04 This book maps the

convergence of governance and connectivity within Asia established through the spatial dynamics of trade capital conflict borders and mobility It situates Indian trade and governance policies within a broader Asian and global context Focussing on India s North East in particular on India s Look and Act East Policy the volume underscores how logistical governance in the region can bring economic and political transformations It explores the projected development of the North East into a gateway of transformative cultural interaction among people just as the Silk Road became a conduit for Buddhism to travel along with musical instruments and tea Comprehensive and topical this book will be useful for scholars and researchers of political studies international relations governance studies development studies international trade and economics and for think tanks working on South and Southeast Asia

Germany After the 2013 Elections Gabriele D'Ottavio, Thomas Saalfeld, 2016-03-03 The German election of 2013 has important ramifications for the whole of Europe *Germany After the 2013 Elections* Breaking the Mould of Post Unification Politics provides a comprehensive analysis of this election and its wider implications for post unification German politics International specialists on German and EU politics examine the domestic and international context of the election and reflect on its possible consequences In the first part of the volume a number of contributors analyse the policy environment in which the election took place while the second part deals with voters parties and leaders strategies in the run up to and the aftermath of the 2013 election

Vocabularies of International Relations After the Crisis in Ukraine Andrey Makarychev, Alexandra Yatsyk, 2016-10-26 This book analyses the conflict in Ukraine and Russia s annexation of Crimea covering conceptualisations from rationalist to reflectivist and from quantitative to qualitative Most contributors agree that many of the old concepts such as multi polarity spheres of influence sovereignty or even containment are still cognitively valid yet believe the eruption of the crisis means that they are now used in different contexts and thus infused with different meanings
