Amish Cookbook Valerie Alston,2014-12-15 You may not know much about the people of Amish their religion customs or traditions but you must surely know about their food or would ve at least heard someone raving about it But before we talk about their food lets first look at who the Amish are for people who don t know The Amish are a separate and distinct part of the Traditionalist Christian Church whose roots stem from Swiss Anabaptist origins Amish people can easily be identified in a group of people as even after so many years and modernization they have kept a simple lifestyle in which not only do they dress differently but also their mode of transportation their education their attitudes everything is different Their dresses are plain and simple and usually of darker shades The men adorn hats and beards while the women adorn long dresses But that s not what makes them most distinct It s the fact that they have refused to adopt modern technology in any way Whether it is electricity or kitchen appliance

daughter there's an unspoken expectation that she'll set the example for the Youngie. Watch her tongue and never give offense. And now that she's in her twenties, choose one of the valley's young men pursuing her and make a godly home. But she doesn't want to make a home with anyone but Amish cowboy Zach Miller. She's loved him for as long as she can remember, and he only sees her as a friend. Zach has watched his brothers and sisters fall in love while he comes no closer to finding the one God means for him. At this rate, his infant sister will grow up and get married before he does. But at a Christmas wedding on their Montana ranch, a stunning realization makes the scales fall from his eyes. It's as if he's seeing Ruby, his childhood friend, for the very first time. As the woman he's been waiting for. As his heart's home. But Ruby may already have given up on him. The Amish grapevine is abuzz with speculation that she has been swept off her feet by a man from away and might even leave the valley. Is Zach really too late to court the Amish girl next door? The Montana Millers. They believe in faith, family, and the land. They'll need all three when love comes to the Circle M. The Amish Cowboy's Home is the sixth book in the Amish Cowboys of Montana romance series. Though the books can be read as standalones, there is a family thread running through them all. No strong language, just a loving kiss and a guaranteed happily ever after. If you like books by Samantha Price, Amy Lillard, or Grace Lewis, you're in the right place. Enjoy this friends-to-true-loves story. [Amish Baking](#)
