You Can't Return Home Except Through Photographs and Memory Marques Vickers, 2017-03-03 Author Marques Vickers returns to his hometown of Vallejo California with his memoir You Can't Return Home Except Through Photographs and Memory The personal narrative traces his formation within a community that through his eyes has slipped a notch from both the middle class and affluence Vickers employs a light but candid tone on a gravely perceived subject Vallejo's regressive deterioration The suburban San Francisco Bay Area town of 120 000 was formerly the California State Capital twice and home to the Mare Island Naval Shipyard The base closed in 1996 creating an employment void that prompted stagnation within the downtown core Vickers was raised locally during the 1960s 70s He traces the specific causes for decline as the proliferation of long simmering racial tensions homelessness aggressive criminality and drug trafficking Returning in 1987 as an adult following a twelve year absence he was struck by the town's smallness of scale In spite of the successful recruitment of Marine World Africa USA in 1986 the addition has not elevated Vallejo into a desirable extended stay tourist destination He observes that seemingly for every positive step forward the city tends to relapse two steps backwards Despite the deterioration most Vallejoans he knows are proud of their grounded heritage His text is far from bleak and bitter He cites the town's distinctiveness attractions and diversity that positively impacted his personal development His photo compilation was prompted by a return for the funeral service of a 90 year old friend Andy who died on New Year's Day 2017 Andy a former longtime resident avoided local visitations noting the degenerating conditions from his residence in adjacent Benicia The author's own series of memories were exhumed at the same time as the body of his friend was being lowered into the ground for burial Vickers surveys the present tense community with his camera lens portraying a bittersweet reality Although he cannot overlook the obvious he hopes the current downtown may ultimately be viewed as an isolated puzzle piece fitting into a larger positive legacy Balancing his criticism with objectivity humor and insight Vickers attempts to accurately portray a subject he mourns and knows intimately
