Communication and Human Rights Cees J. Hamelink, 2023-06-08 Human rights and communication are deeply connected human rights need communication to expose violations and to offer platforms for dialogue while communication needs human rights to provide standards for free speech and confidentiality Together they confront the reality of today s social and international order in which justice and understanding often seem unattainable In this book Cees J Hamelink guides the reader through the historical evolution of communication and human rights In this original framework he discusses topics such as the right to communicate and freedom of expression as well as major challenges posed by the environmental crisis and digital technologies With authority he passionately argues that communicative justice is the ultimate goal of applying the international human rights regime to different forms of communication This goal can only be achieved if we manage to move from the prevailing thin liberal conception of human rights to a thick cosmopolitan conception of them Written by one of the world s leading scholars in this area this wide ranging book will be of interest to students of media and communication human rights scholars as well as practitioners activists and anyone interested in applying the notion of justice to the basis of human existence communication

Chains of Finance Diane-Laure Arjaliès, Philip Grant, Iain Hardie, Donald MacKenzie, Ekaterina Svetlova, 2017-06-16 Investment is no longer a matter of individual savers directly choosing which shares or bonds to buy Rather most of their money flows through a chain an often extended sequence of intermediaries What goes on in that chain is of huge importance The world s investment managers who are now almost as well paid as top bankers control assets equivalent in value to around a year of total global economic output In *Chains of Finance* five social scientists discuss the ways in which the intermediaries in the chain influence each other channel the flows of savers money enhance investment decisions and form audiences for each other s performances of financially competent selves The central argument of the book is that investment

management is fashioned profoundly by the opportunities and constraints this chain creates Whether chains constrain or enable however they always entangle tying intermediaries to each other silently and profoundly shaping the investment management industry Chains of Finance is a novel analysis that will make students social scientists financial professionals and regulators looking at the workings of financial markets in a new light A must read for anyone looking for insights into the decision making processes of investment managers and those influenced by and working for them **The Least Among Us** Rosa L. DeLauro, 2019-07-19 The outspoken Connecticut congresswoman provides a powerful case for protecting and expanding America's safety net Elizabeth Warren Cynical politicians like Mitch McConnell and Donald Trump argue that the people of the United States would be better off without food stamps Obamacare and workplace protections Congresswoman Rosa L. DeLauro knows these folks are just plain wrong Growing up in New Haven Connecticut DeLauro saw firsthand how vulnerable hard working people are in the face of corporate indifference and government neglect From fatal industrial fires to devastating childhood poverty DeLauro witnessed it all and emerged convinced that social programs are worth going to the mat for again and again Worker protections Social Security unemployment insurance Medicare Medicaid food stamps and housing assistance lift up all Americans they fulfill this country's promise of opportunity for everyone and are essential for our country's health For twenty five years DeLauro has been fighting for everyday Americans earning a reputation as the most impassioned defender of our social safety net The Least Among Us tells the story of a quarter century of deal making on behalf of people too often overlooked told by a woman as fearless as she is opinionated Part House of Cards part progressive manifesto The Least Among Us shares lessons about power how it's gained and how to wield it for everyone's benefit Can you imagine how cool the world would be if we had Rosa DeLauro getting's done instead of Congress being held hostage by terrible people Wonkette An impassioned urgent defense of democratic values and the role of government to serve and benefit all citizens Kirkus Reviews [The Cambridge Handbook of Social Problems](#): A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research
