When college freshman and future psychotherapist Kazuma Futaba responds to a curious call for a room to let, he ends up living in a mansion owned by Emiru, a frail beauty his own age. Although neighborhood kids call the place haunted, if anything the young mistress nurses a darker affliction in this half of a thoughtful diptych.

Not Unto Death Volume 1:

Precept Upon Precept Volume 1 Henry Mahan, 2018-04-05 Henry T Mahan began his ministry at the young age of 21 and has wide experience in the pastoral ministry his writings and as a Bible Conference speaker He pastored Thirteenth Street Baptist Church Ashland Kentucky for fifty years and today he lives in Rocky Mount Virginia Publishing a weekly bulletin over those fifty years he shared them by mail with other pastors churches and believers around the country In his writing Pastor Mahan continually points sinners to look to Christ for all of salvation and they are full of strong and vital instructions from the word of the Lord constantly declaring that salvation is of the Lord We are excited and thankful for the opportunity to put these bulletin articles from 1979 1987 into book format for distribution It is our prayer the Lord will bless these short articles to the furtherance of the gospel to the comfort of the believer and to the glory of the Lord Jesus Christ **Letters and Homilies for Hellenized Christians, Volume 1** Ben Witherington, Ben Witherington III, 2006-10-25 Ben Witherington III presents this commentary of Titus 1 2 Timothy and 1 3 John in light of recent study probing especially each letter's social setting and the rhetorical strategies of the author This is Volume 1 of Letters and Homilies for Hellenized Christians **The Works of Jacobus Arminius Volume 1 - Orations of Arminius** Jacobus Arminius, 2017-03-22 Offering a strong alternative to Calvinism the first book in this three volume set starts to show another view on the Bible that challenges the works of John Calvin Martin Luther and others The aspect of self-determinism and the role of sin in a believer's life are dominant in Arminius's thinking while the other theologians in his time were focusing on the idea of determinism in the role of Biblical theology [Volume 1, Tome II: Kierkegaard and the Bible - The New Testament](#) Lee C. Barrett, 2016-12-05 Exploring Kierkegaard's complex use of the Bible the essays in this volume use source critical research and tools ranging from literary criticism to theology and biblical studies to situate Kierkegaard's appropriation of the biblical material in his cultural and intellectual context The contributors seek to identify the possible sources that may have influenced Kierkegaard's understanding and employment of Scripture and to describe the debates about the Bible that may have shaped perhaps indirectly his attitudes toward Scripture They also pay close attention to Kierkegaard's actual hermeneutic practice analyzing the implicit interpretive moves that he makes as well as his more explicit statements about the significance of various biblical passages This close reading of Kierkegaard's texts elucidates the unique and sometimes odd features of his frequent appeals to Scripture This volume in the series devotes one tome to the Old Testament and a second tome to the New Testament As with the Old Testament Kierkegaard was aware of new developments in New Testament scholarship and troubled by them Because these scholarly projects generated alternative understandings of the significance of Jesus they impinged directly on his own work It was crucial for Kierkegaard that Jesus is presented as both the enactment of God's reconciliation with humanity and as the prototype for humanity to emulate Consequently Kierkegaard had to struggle with the proper way to explicate persuasively the significance of Jesus in a situation of decreasing academic consensus about Jesus He also had to

contend with contested interpretations of James and Paul two biblical authors vital for his work As a result Kierkegaard ruminated about the proper way to appropriate the New Testament and used material from it carefully and deliberately The authors in the present New Testament tome seek to clarify different dimensions of Kierkegaard s interpretive theory and practice as he sought to avoid the twin pitfalls of academic skepticism and passionless biblical traditionalism *The Gospel and Letters of John, Volume 1* Urban C. von Wahlde,2010-11-22 Urban von Wahlde s radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist s precision and engaging a whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively **An Exposition of the New Testament** Matthew Henry,1759 *The Works of John Cotton, Volumes 1-5* John Cotton,2025-11-13 John Cotton shaped the doctrine worship and discipline of a fledgling society striving to live fully under God s Word With clarity conviction and pastoral warmth he addressed both the great ecclesiastical questions and the intimate personal wrestlings of his time The Works of John Cotton gathers his most important treatises and sermons in a newly edited cloth bound set It recovers a vital link in the chain of Reformed thought and reintroduces a voice that helped shape the American church before it had a name **The Book of Common Prayer and Administration of the Sacraments and Other Rites and Ceremonies of the Church** Church of England,1717 Jonathan Martin 1782 1838 a religious fanatic with a strong disapproval of the Church of England attempted to set fire to York Minster in 1829 he spent the rest of his life in an asylum *A common-place-book to the holy Bible: or, The Scriptures' sufficiency practically demonstrated, by J.
