*Not Paul, But Jesus* Jeremy Bentham, 2021-12-02      [Not Paul, But Jesus](#) Jeremy Bentham, 2016-04-20 In this edition hundreds of problems in punctuation and spelling that frustrated reading have been corrected British spellings have been left alone Contains a new Forward by Tobias Skinner In *Not Paul But Jesus* Jeremy Bentham offers solid proof that the books of the Bible ascribed to Paul could not have been divinely inspired due to the numerous fallacies and contradictions contained within them Indeed argues Bentham Paul s works even contradict the teachings of Christ It is likely the books ascribed to Paul many of which are merely letters to early Christian churches were added by the church because the doctrine of Paul allows the church to play a far larger role in the life of Christians than would be the case without the books included Paul wanted the various churches he visited to practice Christianity his way His letters tell them to do so and apparently some influential leaders of the early and later church approved Whatever the case Bentham offers convincing proof that an infallible God could not have inspired the writings of Paul which are far from infallible In Bentham s view Paul plays the role of an anti Christ by making Christ subservient to Paul in the doctrine of Christianity      *Not Paul, But Jesus - Scholar's Choice Edition* Jeremy Bentham, 2015-02-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Not Paul, But Jesus* Jeremy Bentham, 1823      [Not Paul, But Jesus](#) Esq. Gamaliel Smith (pseud. present work altogether in the dark with relation to any thing by which in the pursuit of the same design it has been preceded with the benefit of a few corrections and additions the then intended titles of the chapters and sections of the now discarded purely historical work are accordingly here reprinted As to the numbers here attached to the several chapters of the as yet suppressed work they are as will be seen such as would of course be attached to them if that part of the originally intended work were to come out separately To have inserted in lieu of them those which would have been the proper ones if that work had formed a part of this would have thrown over the account given of the suppressed work a veil of obscurity and confusion
