**The School Leadership Survival Guide** Jeffrey S. Brooks, Amanda Heffernan, 2021-01-01 The School Leadership Survival Guide What to Do When Things Go Wrong How to Learn from Mistakes and Why You Should Prepare for the Worst is intended as an uncommon guide for school leaders and a resource they can turn to when confronted with issues they might not normally face in typical practice The book serves as a bridge between research and day to day school leadership and is intended to help leaders and school communities improve in areas they routinely avoid In this sense the book is meant as a go to resource for principals those who train and teach them and scholars Although authors recognize the complexity of issues raised in the book each chapter has a How to What to do or Why You Should ethos in order to give the book a unifying structure and help provide a practical translation of research and theory into practice Some of the issues addressed include How to elevate student voice How to navigate religious conflict in the school and community How to improve support for LGBTIQ students Why You Should develop a natural disaster plan How to work against racism in the school and community How to practice inclusion in the school How to make a vision and mission come to life How to manage relationships with difficult people What to do when there is racial tension in the community How to learn the history of your school and community and why that matters How to guide and support a leadership team and What to do in a school with low trust

**The Principal's Office** Jan Irons Harris, 2008-09-08 The Principal's Office is a practical book It is simple easy to read and packed with straightforward personal advice gleaned from years of real experience The current or future principal will receive words of wisdom from an author who knows what it is like to serve in the principal's office This primer addresses the concept of effective leadership in the principal's office with a holistic approach It is designed to help readers understand the four areas of our being spiritual physical intellectual and emotional From personal values and inspiration to clothing choices and exercise this book touches on all the topics essential to a healthy and successful turn as a principal When we understand these different areas along with the fundamental need to maintain balance in the four areas we are better
