

General Information About Holistically Rated TELPAS Assessments

- Your students' ratings will be reviewed by the campus principal.
- You will gather writing samples and create student writing collections.
- If you are a rater of students enrolled in grades 2–12, the writing collections will be verified by another trained individual to ensure that they contain the appropriate types and number of writing samples. The TELPAS Writing Collection Cover Sheet and Writing Collection Verification Checklist must be completed and stapled to each student's writing collection.
- Your campus coordinator will ensure that the writing collections are kept in the students' permanent record files for two years from the time of rating.
- School districts use TELPAS assessment results to plan for instruction and to meet state and federal assessment requirements.
