

An illustration depicting a scene from the biblical story of Samson. In the foreground, Samson, a muscular man with long dark hair and a beard, wearing a red tunic, is shown in a dynamic pose, possibly having just defeated an opponent. He is holding a large, dark, circular object, likely a Philistine's helmet or a piece of armor. In the background, several other men, some shirtless and some wearing tunics, are engaged in combat or observing the scene. One man in the background is holding a sword aloft. The setting appears to be an outdoor arena or battlefield with a yellowish sky and rocky ground.

Rationalising the Bible □ Volume 2: Conquest, Kings, Poetry and Prophecy Ivy Bedworth,2016-03-05 Rationalising the Bible is a collection of volumes that cover the books of the Old and New Testaments of the Holy Bible Written by mostly unidentified authors the Bible is generally attributed with being the moral compass of the world of Judeo Christian religious adherents In fact the Bible is mostly mythological history inaccurate science exaggerated reports of violence and discrimination against the people who settled the Fertile Crescent and a set of laws plagiarised from those already in existence in the area Even the writing of it claimed to be that of the patriarchs can clearly be identified in the reading of it as belonging rather to a period when all people in the civilised world were writing their stories It was not written as atheists often charge by illiterate nomadic tribespeople in pre history Instead it was written by politicians and priests at a time when the western civilisations were making their mark on the world's politics *A Commentary on Judges and Ruth* Robert B. crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God s people Since God s people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application
