The Oxford Handbook of Education and Globalization Paola Mattei,Xavier

Dumay, Eric Mangez, Jacqueline Behrend, 2023 The Oxford Handbook on Education and Globalization brings together in a unique way leading authors in social theory and in political science and reflects on how these two disciplines deal with the relation between globalization and education The handbook develops a firmer and tighter dialogue between social theory and education research and analyzes the political and institutional factors that shape the adoption of global reforms in education at multiple levels of governance It is a must read for anyone looking for a comprehensive overview of how globalization and education interact to result in distinct and varying outcomes across world regions The Ridiculously Simple Guide to the
