Nosotras Que Nos Queremos Tanto:

Nosotras que nos queremos tanto Marcela Serrano, 2011-12-16 Marcela Serrano ilumina la relación hombre mujer desde una óptica femenina inédita y enfrenta sin concesiones los claroscuros de la condición existencial de la mujer

Albricia Verónica Cortínez, 2000 *Love and Politics in the Contemporary Spanish American Novel* Aníbal González, 2010-02-01 The Latin American Literary Boom was marked by complex novels steeped in magical realism and questions of nationalism often with themes of surreal violence In recent years however those revolutionary projects of the sixties and seventies have given way to quite a different narrative vision and ideology Dubbed the new sentimentalism this trend is now keenly elucidated in *Love and Politics in the Contemporary Spanish American Novel* Offering a rich account of the rise of this new mode as well as its political and cultural implications Anibal González delivers a close reading of novels by Miguel Barnet Elena Poniatowska Isabel Allende Alfredo Bryce Echenique Gabriel García Márquez Antonio Skarmeta Luis Rafael Sánchez and others González proposes that new sentimental novels are inspired principally by a desire to heal the division rancor and fear produced by decades of social and political upheaval Valuing pop culture above the avant garde such works also tend to celebrate agape the love of one's neighbor while denouncing the negative effects of passion eros Illuminating these and other aspects of post Boom prose *Love and Politics in the Contemporary Spanish American Novel* takes a fresh look at contemporary works , *Postmodernism of Resistance in Roberto Bolaño's Fiction and Poetry* J. Agustín Pastén B., 2020-12 *Postmodernism of Resistance in Roberto Bolaño's Fiction and Poetry* examines the ways in which Bolaño employs a type of literary aesthetics that subverts traits traditionally associated with postmodernism Pastén B coins these aesthetics postmodernism of resistance and argues that this resistance stands in direct opposition to critical discourses that construe the presence of hopeless characters and marginal settings in Bolaño's works as signs of the writer's disillusionment with the political as a consequence of the defeat of the Left in Latin America Rather he contends Bolaño creates a fictional world comprised of characters and situations that paradoxically refuse to accept defeat even while displaying the scars of terrible historical events In this work Pastén B challenges some critical assumptions about Bolaño's fiction and poetry that led to decontextualized interpretations of his work and offers a singularly comprehensive investigation that synthesizes multiple perspectives of a complicated author into one text **Pensamiento, cultura y literatura en América Latina** Patricia Cabrera López, 2004-01-01 *Roberto Bolaño: The Last Interview* Roberto Bolaño, 2011-12-06 With the release of Roberto Bolaño's *The Savage Detectives* in 1998 journalist Monica Maristain discovered a writer capable of befriending his readers After exchanging several letters with Bolaño Maristain formed a friendship of her own culminating in an extensive interview with the novelist about truth and consequences an interview that turned out to be Bolaño's last Appearing for the first time in English Bolaño's final interview is accompanied by a collection of conversations with reporters stationed throughout Latin America providing a rich context for the work of the writer who according to essayist Marcela

Valdes is a T S Eliot or Virginia Woolf of Latin American letters As in all of Bola o s work there is also wide ranging discussion of the author s many literary influences Explanatory notes on authors and titles that may be unfamiliar to English language readers are included here The interviews all of which were completed during the writing of the gigantic 2666 also address Bola o s deepest personal concerns from his domestic life and two young children to the realities of a fatal disease
