Believers in an increasingly secular world face the challenge of responding to the cultural changes that have taken place in the past generation as Christians become a cognitive minority especially in the West Some attempt to restore the Christian culture of the past with political activism and others accommodate to the cultural changes Christians in a post Christian world can learn much from believers who lived in the pre Christian period The New Testament demonstrates that in a pluralistic and syncretistic world of religions Christian identity exists neither through absorption into the culture nor through total withdrawal but through dialogue and critique *Christ at the Checkpoint* April Alexander,2012-02-01 What does the evangelical church in Palestine think about the land the end times the Holocaust peace in the Middle East loving enemies Christian Zionism the State of Israel and the possibilities of a Palestinian state For the first time ever Palestinian evangelicals along with evangelicals from the United States and Europe have converged to explore these and other crucial topics Although Jews Muslims and Christians from a variety of traditions have participated in discussions and work regarding Israel and Palestine this book presents theological biblical and political perspectives and arguments from Palestinian evangelicals who are praying hoping and working for a just peace for both Israelis and Palestinians **The Land of Christ** Yohanna Katanacho,2013-10-01 Palestinians and Israeli Jews live in one land yet as two distinct communities each of which claims ownership of the same territory How are we to understand the divine promise pertaining to the land Did God promise the land exclusively to the Jewish people Do the Palestinians have a right to live in the land or does God want them to leave After affirming important Palestinian Evangelical concerns The Land of Christ challenges the argument that God gave the land to Israel Yohanna Katanacho asks 1 What are the borders of the land 2 Who is Israel 3 How did God give Israel the land Through careful biblical exegesis the book responds to these questions exposing the superficiality of many slogans and claims Then the book presents an alternative biblical theology of the land However the theology of the land in this book is intimately associated with the context in Israel Palestine The Palestinian Kairos Document is the most accepted representative of the current Palestinian context and theology The book unpacks this document and extrapolates on its theology of the land Finally the author does not leave the reader without hope Katanacho portrays Hagar as a symbol of hope and considers the Korahite Psalms from the perspective of refugees God Called Me for a Purpose Joseph Wright,2023-02-09 Knowing that God has a calling on your life and understanding your calling is just the beginning of a progression that leads to working successfully within that calling The Lord Called Me for a Purpose gives insight to the preparation process and the required commitment to the developing stages of spiritual leadership Within this book you will come to understand the need for proper training and

the understanding of disciplines essential in building tenacity in your study of God and in your covenant relationship that guides you through your growth process Knowing that you were chosen by God and gifted in a specific calling this book helps you to understand the critical issues of the premature birth of your calling and the successful rewards of your calling coming into public view in due season Moreover The Lord Call Me for a Purpose helps you to understand that spiritual leadership is in a sense stewardship through the favor of God You will recognize the favor of God as having to be responsible and accountable for what truly belongs to God God has called you into leadership and you must answer the call so prepare yourself for a close encounter with the Spirit of God that is about to lead you into greater works **Preaching Christ from Daniel** Sidney Greidanus, 2012-12-19 In Preaching Christ from Daniel Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel Using the most up to date biblical scholarship Greidanus addresses foundational issues such as the date of composition the author s and original audience of the book its overall message and goal and various ways of preaching Christ from Daniel Throughout his book Greidanus puts front and center God s sovereignty providence and coming kingdom Each chapter contains building blocks for constructing expository sermons and lessons including useful information on the context themes and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more
