Perceptions of the Imagine Nation: Pages of Poems, Puzzles, Riddles and Rhymes, & Even a Joke at Times Gerald Anthony PichA(c),2022-11-03 After the accident I became a strict believer in the Almighty believing the accident happened for a reason to change the sights I had for a useful life instead of being an architect that I went to school for and now forgotten I would now have to look into some new direction I had some writing experience to look at I was going to Bible study groups once or twice a week reading and working on what we read about with some writing to sum up what was taught In this writing I started recreational work as to poetry Some of this work was of thought given religious poems that had good themes The time and place I don t know what it means There a thought given is usually written Reasoning for life is usually explained thought for actions is then remained As one to another time is a fence actions portrayed some of defense The mind was one that was given the thought within is retained from living A purpose has reason for a maker to see sometimes your action is reason to be Other times a purpose is that not in sight making the choice not being right Then again age is a factor for how you choose more in sight to win or to lose Reasoning is many times unexplained but a good thought was unrestrained A thought in practice becomes a choice made a mistake made is one to invade Life is like a gamble then you die Don t rock any cradle don t make em cry Live trying to give back to life don t let it show Love the beast don t let it know Have peace for life killing is banned See the other side I hear it s grand Death is the last step we take I hope you make it for both of our sakes All of his instructions were given your part is in the living Amen Earth is our onetime school to learn God s love obey his rule All for our gain to love and learn graduate in death prepared for our turn Exclaimed with the happiness to see and rejoice spirit lives have a voice Heard for eternity his promise fulfilled that with action thought prewilled You lived for a reason instead of gain in pleasing yourself The End of Book 1 Seeing The Real Nation Book 2 is further in depth More of a mind being prepped For the soul to be swept Up for God knows you cared
