Pizza Business Guide:

Handbook for a Pizza Restaurant James Loyde Blackwell, 2017-08 This guide is for anyone who is interested in the basics that one would need to begin their own pizzeria. It goes through some of the ideas, setup, planning, and employee handbook items that are often overlooked when choosing to start in the pizza business. This is not a step-by-step guide; it is something to get the planning started, the handbook that you can build on to create your own brand and to make your business have a base for more growth and stability before you even begin the process of opening. With over 15 years in the business, the author has seen what happens when a start-up is not prepared and does not plan ahead. This is to make sure you do have that ground-level knowledge. **PIZZA and BUSINESS * the COMPLETE GUIDE** Roberto
