The Parliamentary Debates Great Britain. Parliament,1899 The Race to Save the Romanovs Helen Rappaport,2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin s autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch

of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs *European Studies* Menno Spiering, 2004

Terrific Majesty Carolyn Hamilton, 2009-07 Since his assassination in 1828 King Shaka Zulu founder of the powerful Zulu kingdom and leader of the army that nearly toppled British colonial rule in South Africa has made his empire in popular imaginations throughout Africa and the West Shaka is today the hero of Zulu

nationalism the centerpiece of Inkatha ideology a demon of apartheid the namesake of a South African theme park even the subject of a major TV film *Terrific Majesty* explores the reasons for the potency of Shaka's image examining the ways it has changed over time from colonial legend through Africanist idealization to modern cultural icon This study suggests that tradition cannot be freely invented either by European observers who recorded it or by subsequent African ideologues There are particular historical limits and constraints that operate on the activities of invention and imagination and give the various images of Shaka their power These insights are illustrated with subtlety and authority in a series of highly original analyses *Terrific Majesty* is an exceptional work whose special contribution lies in the methodological lessons it delivers above all its sophisticated rehabilitation of colonial sources for the precolonial period through the demonstration that colonial texts were critically shaped by indigenous African discourse With its sensitivity to recent critical studies the book will also have a wider resonance in the fields of history anthropology cultural studies and post colonial literature
