Possible Amendments to the Federal Water Pollution Control Act United States. Congress. House. Committee on Public Works and Transportation. Subcommittee on Water Resources, 1984 Industrial Economist, 1969 *Mobilizing America: Robert P. Patterson and the War Effort, 1940-1945* Keith Eiler, 2022-12-14 Judge Robert P Patterson resigned from the US Court of Appeals for the Second Circuit in New York City in 1940 to join the War Department to help prepare the country for a war he knew was coming As Under Secretary of War he was responsible under Secretary of War Henry L Stimson for industrial mobilization and procurement for the army and the army air force The study documents Patterson s extraordinary and largely unrecognized contributions to the war effort recounts how the federal government transformed itself for war and converted a vast market oriented economy into an effective war machine and documents numerous issues about the evolution of civil military relations during the emergency Patterson emerges as a self effacing public servant of unusual ability and character This splendid biography does belated justice to one of the unsung heroes of the Second World War Robert P Patterson a quiet man of commanding ability and sturdy purpose played a key role in the mobilization of American men and resources that made victory possible Mobilizing America illuminates both the integrity of the man and the complexity of his achievement Arthur Schlesinger Jr In Mobilizing America Keith E Eiler makes a significant contribution to our understanding of the mobilization by describing the contributions of Robert P Patterson a heretofore neglected yet pivotal figure in making President Franklin D Roosevelt s vision of America as the Arsenal of Democracy into a reality Mobilizing America is a worthy work of scholarship Gracefully written it deftly examines Patterson s style and numerous issues of wartime policy and reminds us that a purposeful individual can make a difference in a vast national endeavor The Journal of Military History Students of the Second World War even professional military officers are often woefully uninformed about the vast and complex war effort waged on the home front to provide the supplies trained manpower and munitions necessary to ultimate victory Keith Eiler has found a way to portray this mobilization effort vividly by telling the story through the eyes of Undersecretary of War Robert P Patterson a modest but dynamic man whose contributions in the author s words were comparable only to those of the army s chief of staff General George C Marshall and of the president himself I recommend this book to anyone seeking to attain a full understanding of the entire United States war effort John S D Eisenhower As a study of the domestic economy during WWII this book is unparalleled Choice Eiler has written a comprehensive account of Patterson s Herculean efforts largely unrecognized then or later which were so essential for the final victory Patterson emerges as a patriot and ideal public servant Library Journal This account of the career of one of the 20th century s great public servants is a dramatic story ably narrated and documented about a side of World War II the domestic war against entrenched bureaucracy in which Patterson played an heroic role Washington Times A detailed well researched book The Journal of American History The WIPO Treaties on Copyright Jörg Reinbothe, Silke Von Lewinski, 2015-03-12 This work is the leading guide to the WIPO Copyright Treaty WCT the WIPO Performances and

Phonograms Treaty WPPT and the Beijing Treaty on Audiovisual Performances and includes a chapter on the Marrakesh Treaty of 2013 More than ten years have passed since the entry into force of the WCT and the WPPT This revised commentary on the treaties reflects on the impact of their implementation and illustrates how they have come to be applied in different ways in particular through national legislation It gives a detailed analysis of the development and meaning of all articles of these treaties and integrates current debates on copyright and neighbouring rights protection in the digital age Written by two leading experts in copyright law both closely involved in the evolution of the treaties and their implementation into national and EU law this work is the definitive guide to the recently adopted international copyright treaties
