

The following poem is one of Shakespeare's many love sonnets. As you read the poem, pay attention to poetic structure and theme. When you have finished reading, answer the questions that follow.

Sonnet 116

Let me not to the marriage of true minds
Admit impediments. Love is not love
Which alters when it alteration finds
Or bends with the remover to remove.
⁵ O, no! It is an ever-fixed mark
That looks on tempests and is never shaken.
It is the star to every wand'ring bark,
Whose worth's unknown, although his heighth be taken.
Love's not Time's fool, though rosy lips and cheeks
¹⁰ Within his bending sickle's compass come.
Love alters not with his brief hours and weeks,
But bears it out even to the edge of doom.
If this be error and upon me proved,
I never writ, nor no man ever loved.

—William Shakespeare
