**Calgary's Stampede Queens** Jennifer Hamblin, 2014 Alongside images of racing chuckwagons cowboys on bucking broncos and Aboriginal people in full regalia one of the most recognizable and enduring symbols of the Calgary Stampede is a trio of pretty cowgirls wearing white hat crowns Not surprisingly modern day Stampede Queens and Princesses make more than 450 public appearances per year promoting the show and the city of Calgary both at home and abroad But the fair was nearly six decades old before it appointed a royal representative to promote its interests In 1946 Patsy Rodgers became the Stampede's first rodeo queen The following year a local service club raised funds by sponsoring a contest for Queen of the Stampede Although it bore little resemblance to its modern counterpart this early competition based on ticket sales was widely popular and over the next few decades raised the equivalent of one million dollars for local charities and service projects From the beginning the Stampede recognized the

promotional potential of the royal figureheads and worked to ensure that winners were credible representatives of what quickly became a year round public relations job In 1966 the Stampede officially took over and modernized the contest but it would take many decades of trial and error evolution to perfect the process of selecting and training its royalty Against a backdrop of changing times and drawing on contemporary sources and personal interviews the author traces the origin and development of the Calgary Stampede Queen contest and profiles its lucky young winners over seven exciting decades Complete with a large selection of archival photos Calgary's Stampede Queens tells the story from this fascinating corner of The Greatest Outdoor Show on Earth **Cannon Fodder** Steve Burton,2011-07-15 Cannon Fodder is a true story of a young crippled boy from a small town in Utah who ended up a victim of false arrest and imprisonment by his own country It speaks to some of the excesses of the U S government during the war in America that coincided with the war in Vietnam Stories and observations made while playing drums in a rock and roll band in the fifties and sixties for the beatniks and hippies
