Quiet Talks On John S Gospel:

Quiet Talks on John's Gospel S. D. Gordon, 2019-12-02 In *Quiet Talks on John's Gospel* S D Gordon delves into a profound exploration of the spiritual truths found within the Gospel of John. Written in an accessible yet contemplative style, the text invites readers to engage deeply with the narratives and teachings of Jesus, emphasizing the profound themes of love, faith, and the divine nature of Christ. Gordon's literary approach blends exposition with personal reflection, encouraging readers to ponder the significance of each passage in the context of their spiritual journey. This work arises from the early 20th-century revival movements where a thirst for personal spirituality and a deeper understanding of scripture were prevalent. As an influential evangelical preacher, S D Gordon was deeply entrenched in the spiritual awakenings of his time. His fervent belief in the transformative power of the Gospel is evident in his writing. Gordon's background in pastoral ministry and his passion for biblical teaching uniquely positioned him to articulate these intricate theological concepts with clarity and warmth, aiming to inspire believers to cultivate a closer relationship with Christ. I highly recommend *Quiet Talks on John's Gospel* to anyone seeking to deepen their understanding of the Christian faith. This book not only provides rich theological insights but also fosters a personal connection to the Gospel message, making it a valuable resource for both individual reflection and group study.

Quiet Talks on John's Gospel S. D. Gordon, 2016-09-08 It will be seen very quickly that this little book makes no pretension to being a commentary on or an exposition of John's Gospel. That is left to the scholarly folk who eat their meals in the sacred classical languages of the past. It is simply a homely attempt to let out a little of what has been sifting in these years past of this wondrous miniature Bible from John's pen. The proportions of this homely little messenger of paper and type may seem a little odd at first. The longest chapter is devoted to only the opening eighteen verses of John, the prologue. While the whole of the first twelve chapters of John, excepting that prologue, is brought into one smaller chapter. It wasn't planned so, though I felt it coming as the wondrous mood of this book came down over me. I think it must be the effect of the atmosphere of John's book.

QUIET TALKS ON JOHN'S GOSPEL
S. D. (Samuel Dickey) 1859-1936 Gordon, 2016-08-28

Quiet Talks on John's Gospel S. D. Gordon, 2017-03-01. Everything depends on getting Jesus placed. That lies at the root of all living, serving, preaching, teaching. John had Jesus placed. He had Him up in His own place. This settles everything else. Then one gets himself placed too up on a level where the air is clear and bracing, the sun warm, and the outlook both steadying and stimulating. Get the centre fixed and things quickly adjust themselves about it to your eyes. It will be seen very quickly that this little book makes no pretension to being a commentary on or an exposition of John's Gospel. That is left to the scholarly folk who eat their meals in the sacred classical languages of the past. It is simply a homely attempt to let out a little of what has been sifting in these years past of this wondrous miniature Bible from John's pen. The proportions of this homely little messenger of paper and type may seem a little odd at first. The longest chapter is devoted to only the opening eighteen verses of John the prologue. While the whole of the first twelve

chapters of John excepting that prologue is brought into one smaller chapter It wasn't planned so though I felt it coming as the wondrous mood of this book came down over me I think it must be the effect of the atmosphere of John's book Sometimes John packs so much in so little space and again he goes so particularly into the details of someone incident The prologue is a miniature Bible The whole Bible story is there in its cream And on the other hand John spends five chapters xiii xvii almost a fifth of the whole on a single evening He devotes seven chapters xiii xix almost a third of all on the events of twenty four hours John is controlled not by mere proportion of space or quantity but by the finer proportions of thought and quality It has been difficult to hold these homely talks down to the limit of space they take here So many veins of gold in this mine showing clearly large nuggets of pure ore lie just at hand untouched in this little mining venture But it seemed clearly best to get the one clear grasp of the whole That helps so much But there'll be strong temptation to get one's pick and spade and go at this gold mine again But now these things are written that we common folk may understand a bit better and in a warm way that Jesus was God on a wooing errand to the earth and that we may join the blest company of the won ones and become co-wooners with God of the others S D G *Quiet Talks on John's Gospel* Samuel Dickey Gordon,1915 **Quiet Talks on John's Gospel** D.
