Romiette And Julio Answers:

Romiette and Julio Sharon M. Draper, 2010-12-07 Do you feel the soul of another calling to you Do you know in your heart that your destiny and his were meant to merge In the cosmos We can help you find him When Romiette Cappelle and her best friend Destiny decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine they're not sure what they're getting into But Destiny a self-proclaimed psychic assures Romi that for 44.99 plus shipping and handling it's the only way they're ever going to find out who their soul mates really are If nothing else maybe Romi will get some insight into that recurring dream she's been having about fire and water But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague a boy she's just met in the cosmos of an Internet chat room It turns out they go to the same high school not to mention having almost the same names as Shakespeare's famous lovers Sweet scented dreams of Julio have almost overtaken Romi's nightmares when suddenly they return but this time in real life It seems the Devil Dogs a local gang violently oppose the relationship of Romiette and Julio Soon they find themselves haunted by the purple clad shadows of the gang and the fire and water of Romiette's dream merge in ways more terrifying and ultimately more affirming than even Destiny could have foreseen

Liberating Shakespeare Jennifer Flaherty, Deborah Uman, 2023-05-18 The collective trauma of the COVID 19 pandemic Digital shaming Violence against women Sexual bullying Racial slurs and injustice These are just some of the problems faced by today's young adults *Liberating Shakespeare* explores how adaptations of Shakespeare's plays can be used to empower young audiences by addressing issues of oppression trauma and resistance Showcasing a wide variety of approaches to understanding adapting and teaching Shakespeare this collection examines the significant number of Shakespeare adaptations targeting adolescent audiences in the past 25 years It examines a wide variety of creative works made for and by young people that harness the power of Shakespeare to address some of the most pressing questions in contemporary culture exploring themes of violence race relations and intersectionality The contributors to this volume consider whether the representations of characters and situations in YA Shakespeare can function as empowering models for students and how these works might be employed within educational settings This collection argues that YA Shakespeare represents the diverse concerns of today's youth and should be taken seriously as art that speaks to the complexities of a broken world offering moments of hope for an uncertain future The Teen-Centered Book Club Bonnie Kunzel, Constance

Hardesty, 2006-03-30 Vibrant dynamic teen book clubs the kind teens eagerly anticipate and attend session after session are teen centered With innovative pragmatic ideas that will attract and retain teen readers this guide provides everything you need to run a successful teen centered book club Covering every step from planning and promoting to how to prompt discussion and keep it civilized this is a one stop source for the teen book club leader Dozens of reproducibles for teens include book lists ground rules and book based activities The book even has directions for evaluating your club and lists of

resources for more information Whether you re starting a teen book club trying to revive a flagging program or wish to build on past success if you re involved in a teen book club this guide is a must What s the difference between a teen book club and an adult one Too often the answer is Not much Like so many programs for teens traditional book clubs tend to be scaled down versions of adult clubs If book selection taboo topics and logistical details are the most important things that set your teen book club apart from an adult one you could be missing a huge opportunity Vibrant dynamic teen book clubs the kind teens eagerly anticipate and attend session after session are teen centered They re not merely by for and about teens but are grounded in the admittedly radical idea that the club is not primarily about library programming or even about books but is all about teens their interests and needs their social habits and styles their initiative Books are the medium and the club is the method to achieve the ultimate goal of developing teen readers and leaders Furthermore the teen centered book club has huge potential to further a whole range of library goals from bringing more teen patrons through the door to building community wide awareness and support for the library itself What sets this book apart from the typical book club guide is that it is the only guide that addresses the unique constraints of public and school libraries budgeting impact on the facility and the collection and potential attempts at censorship to name just a few It s also the only guide that takes a teen centered approach putting front and center the idea that as with so many other things book clubs for teens are not merely scaled back versions of adult clubs Whether you are starting a club attempting to revive a flagging program or building on past success this manual offers you innovative pragmatic ideas that will attract and retain teen readers
