## A7 DVD Entertainment System Installation Guide

### BEFORE YOU START THE INSTALLATION, READ THIS GUIDE!

The Rosen A7 is the easiest-to-install DVD entertainment system available today. Even though it is very easy to install, we still strongly recommend reading this guide before starting the installation! Below is an outline of the installation process, showing the installation sequence we recommend, and the pages that describe each step.

#### Contents - Steps to a successful installation:

|                    |                                                                                                          |     |
|--------------------|----------------------------------------------------------------------------------------------------------|-----|
| <b>Step One:</b>   | Make sure you have all the components and tools you'll need                                              | 2   |
| <b>Step Two:</b>   | Check out the vehicle and plan your work -<br>console location, harness routing, etc.                    | 3   |
| <b>Step Three:</b> | Cut the headliner and mount the Bracket                                                                  | 4-8 |
| <b>Step Four:</b>  | Route the harnesses and make all wiring connections                                                      | 9   |
|                    | Connecting the DomeLight Harness                                                                         | 10  |
| <b>Step Five:</b>  | Install the A7 and the FM Modulator                                                                      | 11  |
| <b>Step Six:</b>   | Test the system, reassemble the vehicle trim panels,<br>quickly test one more time, and you're finished! | 12  |
|                    | <b>Frequently Asked Questions</b>                                                                        | 13  |
|                    | <b>A7 System Diagram</b>                                                                                 | 14  |
