directed to workshop manual ISBN 9781588502841 Royal Enfield was very adept at utilizing components across their entire
model line and this sharing carried over into their workshop manuals Consequently many of the sections and illustrations are
identified as being appropriate for various models and not necessarily specific to the particular model referenced in the
manual title We encourage you to exercise caution when purchasing technical publications for your classic Royal Enfield
motorcycles as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by
individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies
that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre
owned used or even refurbished In addition they are often advertised for the incorrect series and or model years However
VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have
earned excellent reviews worldwide so you can be assured you are purchasing a quality product
