Give a brief description of each location and maybe hint at what might be found there.

3 - Square Room

There's something under the water here - maybe it's a magical sword!

A round room - nothing good ever happens in round rooms. Name one good thing that has ever happened in one - I bet you can't.

This is what your players are here for - there's some kind of treasure, but I'm pretty sure it's rigged with a nasty trap.

Maybe the players will choose to go this way first - I wonder what would happen if they do. Maybe they'll find something underneath that floor grate.
