TO THE DIRECTOR

This chart opens with a slow statement of the theme (measures 1-20) that may be taken in tempo or with a more subtle approach. At measure 20, the Latin groove can be counted off under the fermata.

Careful attention to all articulation markings is essential to ensure that all of the rhythmic line up. It is important to maintain the intensity without overblowing.

The solo section may be opened up for solos as desired. There are written solos provided, however students should be encouraged to improvise their own solos. A suggested sequence is as follows:

measures 80-82 - play 4 times

measures 93-95 - play 4 times

measures 97-112 - play 1 time

A repeat back to measure 80 could then be made to feature additional players. Feel free to modify this play to fit your group and abilities.

The drum solo at measure 113 may be just 8 measures, or as long as desired. From there, the chart should play out smoothly to the end.

A recording of this chart can be downloaded at www.kendormusic.com

Doug Beach has built a career that includes performing (trumpet), teaching, adjudicating, publishing and composing. Inspired by his interest in playing, writing and teaching, in 1979 he established the publishing company which bears his name. Three years later Doug joined the faculty of Eastern College in Illinois as jazz band director. In the years since, his band has toured Europe often (he is at the invitation of the U.S. State Department) and has appeared with jazz greats Clark Terry, Dave Stryker, Louis Bellson, Benny Green and others. In great demand as a clinician and adjudicator throughout the U.S. and Canada, Doug has also been staff-in-residence on two different occasions for the Illinois Arts Council.

George Shutack is widely regarded as one of the leading composers of jazz ensemble music for younger players. While he has written many more challenging projects, he is best known for his charts at the grade 2-4 levels. A keyboard player living in the Chicago area, George has been writing for Doug Beach Music since 1978. In addition to being one of the core staff writers, he is also responsible for many of the decisions regarding the company's musical direction. With over 125 compositions to his credit, George is one of the most active writers in jazz education today.
