Chern on Dispute Boards Cyril Chern, 2015-05-22 Chern on Dispute Boards examines the law of dispute boards and their development internationally while also covering procedural topics that are of particular concern to those utilising dispute boards. It deals with advanced practitioner issues in the emerging law of dispute boards on an international scale laying out their methods and methodology not only under the common law but also under other legal systems such as Civil law and Shari'ah law. Excelling in describing the how and why, this book also gives samples and or forms of actual working dispute boards that any practitioner could use and adapt to their own needs. Readers of this updated third edition will have explained to them the various international formats and types of dispute boards in use today and be brought up to date on the ever evolving law within the field. New to this 3rd edition is the extensive coverage of appeals from Dispute Board Decisions, the laws relative to appeals and the ICC enforcement procedures and new forms and guidelines for the practitioner. This book guides the reader through the complexities of actual commercial and construction disputes and their successful resolution and also presents a way forward for the dispute board members themselves to administer actual dispute boards all over the world. It is therefore the number one guide for construction lawyers, engineers and dispute board stakeholders worldwide.
