Norman, 2022-04-28 On his second Atlantic voyage George Whitefield read lengthy quotations from a work of a deceased English cleric Writing in his journal he exclaimed These words deserve to be written in Letters of Gold Whitefield's associate the American Jonathan Edwards concurred That cleric was John Edwards an anomaly in several respects a self proclaimed Calvinist who conformed to the Church of England at a time when most Calvinists left in the Great Ejection of 1662 In leading a public debate against prominent intellectuals of his day including John Locke and Samuel Clarke over the definition of orthodox Christianity he allied himself with the same church leaders who decried his Calvinist theology Edwards retired in his mid fifties due to ill health a retirement in which he wrote over forty scholarly books At the heart of his concern was the unity and doctrinal orthodoxy of the church themes over which contentious disputes have reverberated throughout church history **Saving the Church of England** tells the story of why the church was in trouble and of John Edwards's heroic effort to save it **Christian Chronicles** Beverly Hollandbeck, 2008 **Love at Its Best When Church is a Mess** Patrick Allen, 2020-09-30 **Love at Its Best When Church Is a Mess** is a collection of fifteen meditations drawn from 1 Corinthians 13 perhaps the most well known passage about love in Holy Scripture and certainly one of the most beloved passages found anywhere in the English language It is the centerpiece of many marriage ceremonies but as it turns out the Apostle Paul was not writing to young couples in love In fact he was writing to a church in a mess a big mess and what he told them has relevance for Christians today Most of us will face a mess at one time or another in church Why Because church life is messy If you don't find a mess a mess will find you Each chapter contains personal stories a meditation and an examination of an aspect of love drawn from 1 Corinthians 13 the wisdom of Scripture some spiritual formation next steps and questions for
