North West University Application Form 2016

Jako Olivier

North West University Application Form 2016:

Data Processing Techniques and Applications for Cyber-Physical Systems (DPTA 2019) Chuanchao

Huang, Yu-Wei Chan, Neil Yen, 2020-02-03 This book covers cutting edge and advanced research on data processing techniques and applications for Cyber Physical Systems Gathering the proceedings of the International Conference on Data Processing Techniques and Applications for Cyber Physical Systems DPTA 2019 held in Shanghai China on November 15 16 2019 it examines a wide range of topics including distributed processing for sensor data in CPS networks approximate reasoning and pattern recognition for CPS networks data platforms for efficient integration with CPS networks and data security and privacy in CPS networks Outlining promising future research directions the book offers a valuable resource for students researchers and professionals alike while also providing a useful reference guide for newcomers to the field

Self-directed multimodal learning in higher education Jako Olivier, 2020-12-31 This book aims to provide an overview of theoretical and practical considerations in terms of self directed multimodal learning within the university context Multimodal learning is approached in terms of the levels of multimodality and specifically blended learning and the mixing of modes of delivery contact and distance education As such this publication will provide a unique snapshot of multimodal practices within higher education through a self directed learning epistemological lens The book covers issues such as what self directed multimodal learning entails mapping of specific publications regarding blended learning blended learning in mathematics geography natural science and computer literacy comparative experiences in distance education as well as situated and culturally appropriate learning in multimodal contexts This book provides a unique focus on multimodality in terms of learning and delivery within the context of self directed learning Therefore the publication would not only advance the scholarship of blended and open distance learning in South Africa but also the contribute to enriching the discourse regarding self direction From this book readers will get an impression of the latest trends in literature in terms of multimodal self directed learning in South Africa as well as unique empirical work being done in this regard *North-western Christian*

Advocate ,1901 **A Treatise on Christian Banking** Morten Bosterud, 2022-08-01 From a moral perspective all banking practice and theory can be seen as value driven Therefore there will be no such thing as value neutral banking activities and the application of Christian ethical and pastoral principles adds insights to the field of banking for all its involved stakeholders This book contributes to the specific scientific discourse of practical theology as this typically appears within the subfields of ethics and pastoral studies Christian ethics and pastoral principles as applied in banking make up a largely neglected area in the wider academic discourse found within practical theology and the research presented in this book contributes new knowledge to the field with particular emphasis on banking practice It is expected that the theories presented herein will be of interest for other scholars not only within the realm of practical theology but also in a cross domain perspective where scholars in a broad field of disciplines may find the research and academic positions of interest

Such academic fields would include economics finance business administration sociology history anthropology and perhaps more This expectation may not least be derived from the increasing focus on Corporate Social Responsibility CSR as this has emerged over the last decades within the wider business realm in general whence the world of banking has followed suit Alongside this development an emergence of Islamic banking has been seen which has showed substantial growth and success

Theoretical Orientations and Practical Applications of Psychological Ownership Chantal

Olckers,Llewellyn van Zyl,Leoni van der Vaart,2017-11-27 This book shares the theoretical advancements that have been made regarding psychological ownership since the development of the construct and specifically the practical applications within multi cultural and cross cultural environments Enriched by empirical data and case studies by subject specialists in the field this book serves as a cutting edge benchmark for human resource management specialists industrial psychologists as well as students in positive organizational psychology and professionals in other fields This book follows an in depth view of the most recent research trends in psychological ownership Offering practical tools of how the psychological ownership of employees could be developed in the workplace to not only enhance the performance of organisations but to increase the commitment of employees and influence the intentions of skilled employees to remain with their organisations

The College Money Handbook ,1988 *When McKinsey Comes to Town* Walt Bogdanich,Michael Forsythe,2023-10-03 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR ONE OF THE WASHINGTON POST s 50 NOTABLE WORKS OF NONFICTION An explosive deeply reported expos of McKinsey worked its U S government contacts to let Wall Street firms evade scrutiny And much more When McKinsey Comes to Town is a landmark work of investigative reporting that amounts to a devastating portrait of a firm whose work has often made the world more unequal more corrupt and more dangerous

Applications of Nanobiotechnology in Pharmacology Wei Tao,Shahed Behzadi,Jianxun

Ding,Chao Wang,2020-01-15 **Pacifism and Pentecostals in South Africa** Marius Nel,2018-06-27 Most of the early twentieth century Pentecostal denominations were peace churches that encouraged a stance of conscientious objection However since the Second World War Pentecostals have largely abandoned their pacifist viewpoint as they have taken on a more literal Biblical hermeneutic from their interaction with Evangelical denominations This book traces the history of nonviolence in Pentecostalism and suggests that a new hermeneutic of the Bible is needed by today s Pentecostals in order for them to rediscover their pacifist roots and effect positive social change The book focuses on how Pentecostalism has manifested in South Africa during the twentieth century Much of the available academic literature on hermeneutics and exegesis in the field of Pentecostal Studies is of an American or British European origin This book redresses this imbalance by exploring how the Bible has been used amongst African Pentecostals to teach on the apparent paradox of a simultaneously wrathful and loving God It then goes onto suggest that how the Bible is read directly affects how Pentecostals view their role as potential reformers of society So it must be engaged seriously and thoughtfully By bringing Pentecostalism s function in

South African society to the fore this book adds a fresh perspective on the issue of pacifism in world Christianity As such it will be of great use to scholars of Pentecostal Studies Theology and Religion and Violence as well as those working in African Studies

Towards a Transformative Pedagogy for Early Childhood Care and Education Naseema Shaik, Trevor Moodley, 2024-07-12

This book addresses the priorities and possibilities towards developing transformative pedagogies in post apartheid South Africa To this end the book has assembled a group of researchers who interrogated and engaged with a variety of dimensions that warrant pedagogical change in early childhood in South Africa The book focuses on young children practitioners and leaders with intersecting discussions about envisaged systemic changes to promote transformative pedagogies The collection highlights the importance of beliefs ways of knowing and ways of being as framings that impact on pedagogical approaches The book discusses the challenges that interplay between priorities and possibilities that practitioners face in a diverse and multi cultural society like South Africa The work uses a variety of examples to show priorities One example is about how practitioners have limited knowledge about how music as a culturally responsive tool can be used to transform pedagogy in Early Childhood Care and Education The book opens up dimensions as priorities that lead to thinking about possibilities that recast adults and young children as transformative agents in a dimension for transformative pedagogies
