Northanger Abbey French Edition:

Northanger Abbey (English French Edition Illustrated) Jane Austen, 2018-10-08 Northanger Abbey was the first of Jane Austen's novels to be completed for publication in 1803. However, it was not published until after her death in 1817, along with another novel of hers, *Persuasion*. Northanger Abbey is a satire of Gothic novels, which were quite popular at the time. In 1798-99, this coming-of-age story revolves around Catherine Morland, a young and naive heroine who entertains the reader on her journey to a better understanding of the world and those around her. In the course of the novel, she discovers that she differs from those other women who crave wealth or social acceptance; instead, she wishes only to have happiness supported by genuine morality. Catherine Morland est un roman de Jane Austen publié posthument en décembre 1817 mais rédigé en 1798-1799 et alors intitulé Susan. L'œuvre raille la vie mondaine de Bath que Jane Austen avait connue lors d'un séjour en 1797 et parodie les romans gothiques fort appréciés à l'époque. Son héroïne, la toute jeune Catherine Morland, qui ne rêve que de sombres aventures se déroulant dans de vieux châteaux ou des abbayes gothiques, croit qu'elle pourra en vivre une lorsqu'elle est invitée à séjourner à l'abbaye de Northanger. Une idylle s'y développe entre elle et Henry Tilney, le fils cadet du propriétaire des lieux.

The Cambridge History of the Novel in French Adam Watt, 2021-02-25 This History is the first in a century to trace the development and impact of the novel in French from its beginnings to the present. Leading specialists explore how novelists writing in French have responded to the diverse personal, economic, socio-political, cultural, artistic, and environmental factors that shaped their worlds. From the novel's medieval precursors to the impact of the internet, the History provides fresh accounts of canonical and lesser-known authors, offering a global perspective beyond the national borders of the Hexagon to explore France's colonial past and its legacies. Accessible chapters range widely, including the French novel in Sub-Saharan Africa, data analysis of the novel system in the seventeenth century, social critique in women's writing, Sade's banned works, and more. Highlighting continuities and divergence between and within different periods, this lively volume offers routes through a diverse literary landscape while encouraging comparison and connection-making between writers' works and historical periods.
