An Introduction to Literary Studies Mario Klarer, 2005-08-08 An Introduction to Literary Studies provides the beginner with an accessible and comprehensive survey of literature Systematically taking in theory genre and literary history Klarer provides easy to understand descriptions of a variety of approaches to texts This invaluable guide includes sections on fiction poetry drama film covering a range of theoretical approaches an extensive glossary of major literary and cinematic terms guidelines for writing research papers

The Stars of Earth - new and selected poems Emily Grosholz, 2017-10-16 Emily Grosholz weaves elements of philosophy mathematics and the sciences into her experience of the social and natural world to produce wise and cosmopolitan poetry of high lyricism The Stars of Earth starts with new poems chronicling the months of a year lived and observed followed by selections from Grosholz's previous volumes in chronological order This rare treasury spans four decades of Grosholz's acclaimed poetry PRAISE FOR THE STARS OF EARTH Emily Grosholz is a poet of radiant intelligence patient lyricism and meticulous craft She has a gifted naturalist's regard for the living world and wherever she looks that world for its part offers her its poetry With a philosopher's wit and a mathematician's eye for beauty she can link geometry and physics to the apricot color of a robin's breast She also writes with great empathy for her subjects The Stars of Earth collects four decades of her elegant and excellent work We are lucky to have it Mark Jarman author of The Heronry Compressed on the page then wafting ever outward on wings of imagination fine poetry and fine theorems are first cousins Or more rarely in poems like Emily Grosholz's twins Timid and fluid rainbows Over the nacreous surfaces Of shells on peacock feathers And soap bubbles appear Whenever incident light Reflects off nether and upper Laminae of films one wave train Tagging after another Like a younger sister Read this book Marjorie Senechal author of Shaping Space I admire Emily Grosholz because of the sounds her poems make She is always experimenting even when the results seem effortless The cunning irregularities are what most compel the reader is never allowed to relax The general readers among us are admitted courteously to the civilizing company The heart not as a hackneyed valentine but as a living muscle is always present as pulse and passion The overwhelming sense these poems give is of affirmation Michael Schmidt author of New and Collected Poems The Stars of Earth is that rarest of books Emily Grosholz chronicles everything from love to loss childhood to marriage to parenthood She explores two continents and the minds of scientists artists friends long lost family And as befits a poet philosopher whose pursuits include the philosophy of mathematics she achieves potent mixes of the daily and the deep Nietzschean thought served up in a deli a toddler's first steps along the frail parabolas of love Melissa Balmain author of Walking in on People

The Work of Form Elizabeth Scott-Baumann, Ben Burton, 2014 The Work of Form investigates ways of reading early modern poetry which unite historical and formal approaches Essays explore a wide range of meanings of form drawing on early modern literary theory as well as practice to expand definitions and understandings of early modern poetic form

An Echo in the Mountains Nicholas Bradley, 2020-09-23 From the 1960s

until his death in 2000 Al Purdy was one of the most prominent writers in Canada famous for his frank language and his boisterous personality He travelled the country and wrote about its people and places from Newfoundland to Vancouver Island A central figure in the CanLit explosion of the sixties and seventies Purdy has been called the best the most and the last Canadian poet But Purdy's Canada no longer exists A changing country and shifting attitudes toward Canadian literature demand new perspectives on Purdy's impact and accomplishments An Echo in the Mountains reassesses Purdy's works the shape of his career and his literary legacy grappling with the question of how to read Purdy today a century after his birth and in a new era of Canadian literature Contributors to the volume examine Purdy's critical reception explore little known documents and textual problems and analyze his representations of Canadian history and Indigenous peoples and cultures They show that much remains to be discovered and understood about the poet and his immense body of work The first sustained examination of Al Purdy's works in over a decade An Echo in the Mountains showcases the critical challenges and rewards of rereading an iconic and influential Canadian writer

The Oxford Handbook of British Poetry, 1660-1800
John T. Lynch, 2016 In the most comprehensive up to date account of the poetry published in Britain between the Restoration and the end of the eighteenth century a team of leading experts surveys the poetry of the age in all its richness and diversity They provide a systematic overview and restore these poetic works to a position of centrality in modern criticism

1650-1850 Kevin L. Cope, 2019-04-01 With issue twenty four of 1650 1850 this annual enters its second quarter century with a new publisher a new look a new editorial board and a new commitment to intellectual and artistic exploration As the diversely inventive essays in this first issue from the Bucknell University Press demonstrate the energy and open mindedness that made 1650 1850 a success continue to intensify This first Bucknell issue includes a special feature that explores the use of sacred space in what was once incautiously called the age of reason A suite of book reviews renews the 1650 1850 legacy of full length and unbridled evaluation of the best in contemporary Enlightenment scholarship These lively and informative reviews celebrate the many years that book review editor Baerbel Czennia has served 1650 1850 and also make for an able handoff to Samara Anne Cahill of Nanyang Technological University who will edit the book review section beginning with our next volume Most important of all this issue serves as an invitation to scholars to offer their most creative and thoughtful work for consideration for publication in 1650 1850 About the annual journal 1650 1850 1650 1850 publishes essays and reviews from and about a wide range of academic disciplines literature both in English and other languages philosophy art history history religion and science Interdisciplinary in scope and approach 1650 1850 emphasizes aesthetic manifestations and applications of ideas and encourages studies that move between the arts and the sciences between the hard and the humane disciplines The editors encourage proposals for special features that bring together five to seven essays on focused themes within its historical range from the Interregnum to the end of the first generation of Romantic writers While also being open to more specialized or particular studies that match up with the general themes and goals of the journal 1650

1850 is in the first instance a journal about the artful presentation of ideas that welcomes good writing from its contributors First published in 1994 1650 1850 is currently in its 24th volume ISSN 1065 3112 Published by Bucknell University Press Distributed worldwide by Rutgers University Press **The Poetics of American Song Lyrics** Charlotte Pence,2012 Poets teachers and musicologists fusing studies of form scansion and musical creation to redefine the place of the American bard

The Oxford Handbook of British Poetry, 1660-1800 Jack Lynch,2016-11-10 In the most comprehensive and up to date overview of the poetry published in Britain between the Restoration and the end of the eighteenth century forty four authorities from six countries survey the poetry of the age in all its richness and diversity serious and satirical public and private by men and women nobles and peasants whether published in deluxe editions or sung on the streets The contributors discuss poems in social contexts poetic identities poetic subjects poetic form poetic genres poetic devices and criticism Even experts in eighteenth century poetry will see familiar poems from new angles and all readers will encounter poems they ve never read before The book is not a chronologically organized literary history nor an encyclopaedia nor a collection of thematically related essays rather it is an attempt to provide a systematic overview of these poetic works and to restore it to a position of centrality in modern criticism *The Cambridge Companion to English Poetry, Donne to Marvell* Thomas N. Corns,1993-11-18 English poetry in the first half of the seventeenth century is an outstandingly rich and varied body of verse which can be understood and appreciated more fully when set in its cultural and ideological context This student Companion consisting of fourteen new introductory essays by scholars of international standing informs and illuminates the poetry by providing close reading of texts and an exploration of their background There are individual studies of Donne Jonson Herrick Herbert Carew Suckling Lovelace Milton Crashaw Vaughan and Marvell More general essays describe the political and religious context of the poetry explore its gender politics explain the material circumstances of its production and circulation trace its larger role in the development of genre and tradition and relate it to contemporary rhetorical expectation Overall the Companion provides an indispensable guide to the texts and contexts of early seventeenth century English poetry □□□ □□□□□□□ □□□Ha Jin□,2011-10-19 27 Robert Pinsky 1986 1988
