Myself Steve Hamelman, 2016-05-19 Thriving within a narrow niche in rock music is the recording on which one artist composes plays sings and often produces each track As a showcase of individual effort and talent the single artist rock album has been adopted by artists such as Neil Young Stevie Wonder and Prince to produce unique additions to their discographies To this type of album Steve Hamelman has affixed the label AlphaSoloism In All by Myself Essays on the Single Artist Rock Album eleven scholars explore eleven different albums both well known and obscure released between 1970 and 2011 Their essays illuminate aesthetic technical and theoretical elements that distinguish AlphaSolo recordings from conventional ones In addition to providing historical background on studio live original and cover recordings released between the 1970 to the present the essays explore questions of intention craft performance and reception All by Myself marks the AlphaSolo subgenre s moment of origin as a musical category and academic field To date no study exists on this unique genre of music making and All by Myself serves as a call for future investigations into this present and growing phenomenon in rock culture

Thinking about Oneself Kristina Musholt, 2015-07-17 A novel theory of self consciousness and its development that integrates philosophical considerations with recent findings in the empirical sciences In this book Kristina Musholt offers a

novel theory of self consciousness understood as the ability to think about oneself Traditionally self consciousness has been central to many philosophical theories More recently it has become the focus of empirical investigation in psychology and neuroscience Musholt draws both on philosophical considerations and on insights from the empirical sciences to offer a new account of self consciousness the ability to think about ourselves that is at the core of what makes us human Examining theories of nonconceptual content developed in recent work in the philosophy of cognition Musholt proposes a model for the gradual transition from self related information implicit in the nonconceptual content of perception and other forms of experience to the explicit representation of the self in conceptual thought A crucial part of this model is an analysis of the relationship between self consciousness and intersubjectivity Self consciousness and awareness of others Musholt argues are two sides of the same coin After surveying the philosophical problem of self consciousness the notion of nonconceptual content and various proposals for the existence of nonconceptual self consciousness Musholt argues for a non self representationalist theory according to which the self is not part of the representational content of perception and bodily awareness but part of the mode of presentation She distinguishes between implicitly self related information and explicit self representation and describes the transitions from the former to the latter as arising from a complex process of self other differentiation By this account both self consciousness and intersubjectivity develop in parallel

When All That's Left of Me Is Love Linda Campanella, 2011-08 *When All That's Left of Me Is Love* is an intensely personal story about one family's determination to enjoy life while anticipating death Linda Campanella's emotional account of her last year with her mother Nancy Sachsse wrote itself on the pages of her mind as she lay awake unable to sleep in the days and weeks following Nancy's death one year and one day after a diagnosis of terminal cancer It is a heartwarming memoir filled with insights and inspirations that will help anyone jolted into confronting the inevitability and sudden imminence of death Join the author as she reconstructs and relives a year of living while dying and in the process comes to terms with the pain and permanence of her loss *When All That's Left of Me Is Love* is indeed a sad story born of death but it is above all an uplifting portrait of living loving believing and letting go It is a celebration of the special bond between mothers and daughters a touching love story a spiritual journey a poetry lesson and even a case for happy hour This story of a daughter's undying love for her dying mother will move and inspire not only those who face or fear death but also those who love and embrace life This book is truly a testament of love as the title suggests It is about love refined and deepened by grief and gratitude It is a tribute to a mother who loved with her last breath and beyond It is the story of a daughter who gives herself away through the gift of her pen
