Not A Drill:

This is Not a Firedrill Rick A. Myer, Richard K. James, Patrice Moulton, 2010-11-17 Practical Information and Tools to Create and Implement a Comprehensive College Campus Crisis Management Program Written by three seasoned crisis intervention prevention specialists with over fifty years combined experience in the field This is NOT a Fire Drill Crisis Intervention and Prevention on College Campuses is a practical guide to creating a comprehensive college campus crisis management program Authors Rick Myer Richard James and Patrice Moulton provide university administrators faculty and staff with invaluable hands on examples general tactics and strategies along with specific prevention intervention and post crisis logistics and techniques that can be applied to almost any crisis likely to be confronted on a college campus This is NOT a Fire Drill features a host of helpful resources including A proven individual organization assessment tool to ensure school professionals and staff take appropriate action to protect students the college and the community Thought provoking case examples activities and illustrative dialogues that provide opportunities for reflection and practice A checklist to get a crisis prevention and intervention plan for human dilemmas up and running A decision tree model to guide the response and recovery to crisis This is NOT a Fire Drill provides the necessary tools to address the emotional cognitive and behavioral responses of students and staff as they attempt to negotiate a crisis and its aftermath *Not Forgotten* Gregory Hall, 2006-12-13 As a result of his research for this WWII novel Gregory Hall travelled to the Philippines with a History Channel film crew as well as with four of the surviving WWII participants During the documentary filming he visited the sites of the two internment camps Los Banos and Santo Tomas Additionally he visited the locations of the beachhead where the amphibious tracked vehicles AMTRAC s came ashore the airfield used by the paratroopers who parachuted into the action as well as the vacated prison where the liberated prisoners were taken The author spent numerous years researching the liberation and has personally met many of the participants Over the years he has attended six reunions of the former paratroopers and internees This novel weaves the experiences and stories shared by many of the participants Gregory Hall s father served as a paratrooper in the US Army s 11th Airborne Division during the rescue Like Father Like Son the author enlisted in the US Army and became a paratrooper albeit a second generation paratrooper during the Vietnam era He served with the US Army s 82nd Airborne Division during the mid 1970 s attaining the rank of Sergeant E 5 in the Airborne Infantry The novel has been a work of passion for Gregory Hall The desire to write this novel dates back to when the author was stationed at Fort Bragg North Carolina His father like many WWII veterans rarely talked about the war The author took advantage of being in an airborne division and began researching his father s unit It became evident to him that the heroic exploits of US paratroopers in the Pacific Theater of Operations were overshadowed by their brother paratroopers in the European Theater of Operations Similarly the successful rescue of over 2 000 prisoners from 30 miles behind enemy lines in the Philippines was overshadowed by another historical event that occurred on the very same day February 23 1945 That

event was the raising of the American flag by US Marines on Mount Suribachi on the island of Iwo Jima The author is retired after a 24 year career as an FBI Special Agent He has appeared as a military historian on the History Channel s two hour documentary RESCUE AT DAWN THE LOS BANOS RAID The television documentary was heavily influenced by the author s research for this novel You can visit the novel s website at <https://notforgottennovel.com> Separately from this work Gregory Hall has also appeared on both the DISCOVERY and TRAVEL channels as a cold case criminal researcher on the television show EXPEDITION UNKNOWN hosted by international adventurer Josh Gates The author and Mr Gates revisited the legendary skyjacking of an airliner by a person dubbed by the media as DB Cooper The author s groundbreaking and highly plausible theory of the skyjacking DB Cooper Step Out Of The Shadow has been published on WordPress at <https://retiredinvestigator.wordpress.com>
