Disability Politics and Care Christine Kelly, 2016-01-15. *Disability Politics and Care* examines a provincial direct funding program to illuminate what happens when people with disabilities take control of their own care arrangements. In addition to investigating responses from a wide range of stakeholders, Christine Kelly reflects on the broader social and political implications of these types of programs. She probes the divide that exists between rejections of care by disability activists on the one hand and attempts by feminists to value gendered forms of labour on the other. Rather than trying to find common ground between these viewpoints, Kelly explores how maintaining a tension between them could positively transform the understanding and practice of care. Enlivened by the voices of disabled people, attendants, and informal supports, this book uses one independent living program as a starting point for untangling much larger philosophical, theoretical, and material questions about self-determination, interdependence, governance, and justice. **Would Like to Meet** Rachel Winters, 2019-12-03. Can you fall in love like they do in the movies? It's Evie Summers's job to find out. Because if she can't convince her film agency's biggest client, Ezra Chester, to write the romantic comedy screenplay he owes producers, her career will be over. The catch? He thinks rom-coms are unrealistic, and he'll only put pen to paper if Evie shows him that it's possible to meet a man in real life the way it happens on the big screen. Cynical Evie might not believe in happily ever after, but she'll do what it takes to save the job that's been her lifeline, even if it means reenacting iconic rom-com scenes in public. Spilling orange juice on a cute stranger. No problem. Leaving her number in books all over London to see who calls. Done. With a little help from her well-meaning friends and Ben and Anette, the adorable father-daughter duo who keep witnessing her humiliations, Evie is determined to prove she can meet a man the way Sally met Harry. But can a workaholic who's given up on love find a meet-cute of her very own?
