

- the implication is that not being able to compose the Qur'an himself, it shows that the Qur'an is from God;
- the Arabs had a strong oral tradition which allowed the Qur'an to be preserved through memory alone;
- Since he could not read or write, therefore, he needed scribes for writing down the revelation and later they became witnesses of the divinity of Quran.
- God did not want anyone else to be the Prophet's (pbuh) teacher, as that would have meant someone was superior to him in his knowledge of God. It was a miracle of God.

Preaching by the Holy Prophet (P.B.U.H)

After the prophet received his first revelation in the cave of Hira, he only told his wife Khadija and her cousin Waraqa bin Nawfal, about the event. Khadija was the first to accept the message. Waraqa confirmed the prophethood, and for some days there was a break in revelation which is known as **Fatrah tul wahi**.

1. Secret Preaching:

The Holy Prophet (P.B.U.H) passed this time in restlessness and anxiety, until one day, he saw angel Jibrael again, in the sky seated on a chair. The Holy Prophet (P.B.U.H) became frightened and rushed home. He asked Khadija to cover him up. She covered him up, after which he received another revelation which said:

**"O you wrapped up (in a mantle)!
Arise and deliver your warning!
And glorify your Lord . (74: 1-3)**

In obedience to the command of Allah, the Holy Prophet (P.B.U.H) invited his friends and relatives to the religion of Islam. He preached to them the oneness of Allah and warned them of the consequences of following their evil ways. But, he did not, at this stage, make any public announcement.

- The first person to believe in him was his wife, **Khadija**, who accepted his message without any hesitation.
- This was followed by the acceptance of Islam by ten years old, **Ali**, son of Abu Talib.
- The first freed slave to accept Islam was **Zaid bin Haris**.
- The first Person to become a Muslim outside the Prophet's immediate family was his close friend, **Hazrat Abu Bakr**, who invited many people to Islam and many prominent companions Muslim through him.
- **Khalid ibn Sa'id**, a friend of Hazrat Abu Bakr, was guided through a dream in which he saw himself being saved from fire by the Prophet. Hazrat Abu bakr R.A interpreted Khalid's dream and he accepted Islam.

Within a period of three years, while the Holy Prophet (P.B.U.H) was preaching his message in secret, about forty righteous and God-fearing people accepted Islam. Among them were, **Talha, Zubair, Jaffar, Usman, Abdur Rahman bin Auf, Sa'ad bin Abi Waqas and Abdullah bin Masud**.

These early converts were the people who had witnessed the Prophet's (P.B.U.H) private and public life very closely and had arrived at the conclusion that such a gentle and honest person could not mislead the people. The house of **Zaid bin Anqam** became the first preaching centre of Islam, where the Prophet (pbuh) met these early converts and taught them the revelations he received. Muslims prayed twice in a day and would often go to the mountains outside Makkah to worship secretly.

- **None of the Holy Prophet's (P.B.U.H) uncles accepted Islam.** Abu Talib gave protection to the Holy Prophet . Abu Lahab believed that his nephew was self-deceived.

2. Preaching to Banu Hashim:

After the revelation of the verse, **"And warn your nearest relatives."** (26:214)

- the Holy Prophet (P.B.U.H) called Hazrat Ali and asked him to prepare a meal and assemble the Banu Hashim. Hazrat Ali R.A did what he was told and most of the clan of Hashim came to the meal, about

Preaching Without Notes Prof. Joseph M. Webb, 2010-09-01 In this important book Webb makes two central claims First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes Second that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news

Text Message Ian Stackhouse, Oliver D. Crisp, 2014-03-10 Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church the historic church and the contemporary church Contributions include essays on Old Testament preaching preaching in Hebrews gender sensitive preaching preaching in the theology of Jonathan Edwards Charles Spurgeon Dietrich Bonhoeffer and in Eastern Orthodoxy It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher including genre preaching without notes inhabiting the text and preaching without platitudes A final reflection by Dave Hansen on the state of textual preaching rounds out the collection The preaching of the gospel stands at the heart of Christian praxis These essays make a vital contribution to the recovery of the importance of preaching focused on the text of Scripture Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom this is a book that should appeal to a wide range of readers
