Cold War Mary Peter Jan Margry, 2021-01-28 One hardly known but fascinating aspect of the Cold War was the use of the holy Virgin Mary as a warrior against atheist ideologies After the Second World War there was a remarkable rise in the West of religiously inflected rhetoric against what was characterised as godless communism The leaders of the Roman Catholic Church not only urged their followers to resist socialism but along with many prominent Catholic laity and activist movements they marshaled the support of Catholics into a spiritual holy war In this book renowned experts address a variety of grassroots and Church initiatives related to Marian politics the hausse of Marian apparitions during the Cold War period and the present day revival of Marian devotional culture By identifying and analysing the militant side of Mary in the Cold War context on a global scale for the first time Cold War Mary will attract readers interested in religious history history of the Cold War and twentieth century international history

Vision of Fatima Fr. Thomas McGlynn, 2017 Here s the first hand account of the Dominican priest and sculptor who worked under the direction of Sr Lucia the last surviving witness to the 1917 Marian apparitions in Fatima as she guided him in perfecting the famed statue of Our Lady of Fatima Sr Lucia insisted Our Lady s hands be positioned just so the tunic fall exactly the way she remembered the star placed on the proper spot on the tunic and the ball of light around her neck reaching almost to her waist She would make corrections as Fr Tom worked and at times would even take one of the tools and make changes to his model Fr Tom emerged with far more than an exact replica of how Our Lady appeared he came to understand and recounts here in these pages Sr Lucia s intimate explanations of what happened in Fatima the spiritual meanings of the apparitions whether the Consecration to Russia occurred why the secrets had to remain secrets for so long and why Mary chose to appear to three young shepherd children in rural Portugal Fr Tom reminds us that Fatima is a place of miracles and he points us toward the penitential character of Our Lady s message especially the importance of praying the Rosary Few books can provide such a penetrating close encounter with a major Catholic event as Fr McGlynn s Vision of Fatima And only this book leads us into the heart and mind of a Portuguese nun who met face to face with the Mother of God

Our Lady of the Nations Chris Maunder, 2016 Our Lady of the Nations is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues

concerning changing views of gender children's spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant

The Message of Fatima Eloy Bueno de La Fuente,2021-05-31 A phenomenon as complex as the Fatima event stands itself as a challenge and demands theological reflection From different perspectives the core of the Message of Fatima reflects the very heart of revelation It harmoniously reveals an authentic experience of Christian mystery at its most genuine and authentic The symbolic nature of the language stands as a protest and a proposal in the face of particular circumstances in the world

and in the Church Fatima permits us to delve into the most radical logic of the revelation of the Triune God whose love manifests itself as mercy in order to overcome from within the dramatic events of human history The Little Shepherds bear witness of these designs of mercy announced to them Canada Michelangelo Sabatino,Rhodri Windsor Liscombe,2016-11-15 Canada is a country of massive size of diverse geographical features and an equally diverse population all features that are magnificently reflected in its architecture In this book Rhodri Windsor Liscombe and Michelangelo Sabatino offer a richly informative history of Canadian architecture that celebrates and explores the country s many contributions to the spread of architectural modernity in the Americas A distinct Canadian design attitude coalesced during the twentieth century one informed by a liberal hybrid and pragmatic mindset intent less upon the dogma of architectural language and more on thinking about the formation of inclusive spaces and places Taking a fresh perspective on design production they map the unfolding of architectural modernity across the country from the completion of the transcontinental railway in the late 1880s through to the present Along the way they discuss architecture within the broader contexts of political industrial and sociocultural evolution the urban suburban expansion and new building technologies Examining the works of architects and firms such as ARCOP Eric Arthur Ernest Cormier Brigitte Shim and Howard Sutcliffe this book brings Canadian architecture chronologically and thematically to life Mauritius Alexandra Richards,2016-06-01 Besides the renowned sun sea and sand the Mascarene Islands offer outdoor opportunities aplenty such as cycling mountain hiking and watersports as well as beautiful wildlife and national parks The guide offers information on what to see and do region by region
